Our book servers hosts in multiple locations, allowing you to get the most less latency time to download any of our books like this one.

Kindly say, the aunt epps guide for life miscellaneous musings of a victorian lady english edition is universally compatible with any devices to read

Aunt Epp's Guide for Life-Elspeth Marr 2011-09-30 Elspeth Marr (1871-1947) - also known as Aunt Epp - was the great-great-aunt of acclaimed author Christopher Rush, who only knew her for two brief years before her death. Long after Aunt Epp passed away, Christopher's mother discovered the boxes of papers and diaries written by Aunt Epp to an unnamed 'young girl' in her life, which now make up Aunt Epp's Guide For Life. Aunt Epp penned her life lessons, which form a fascinating glimpse of Victorian life, over sixty years. Sassy and opinionated, Aunt Epp was not afraid to voice her views and give her advice on topics ranging from adultery to wrinkles God to genitals and the uses of sperm to 'softening of the member'. In a time when mentioning such things would be deemed unladylike and improper Epp leaves nothing unsaid. It is a true testament to the changing times that Epp's guide can now be published, enjoyed and put to use by everyone - and that even by today's standards, no question is too squeamish for Epp's shrewd commentary.

Twelve Years a Slave-Solomon Northup 2014-03-08 Now a major motion picture nominated for nine Academy Awards. Narrative of Solomon Northup, a Citizen of New-York, Kidnapped in Washington City in 1841, and Rescued in 1853. Twelve Years a Slave by Solomon Northup is a memoir of a black man who was born free in New York state but kidnapped, sold into slavery and kept in bondage for 12 years in Louisiana before the American Civil War. He provided details of slave markets in Washington, DC, as well as describing at length cotton

cultivation on major plantations in Louisiana.

Small Ball-Don Geidel 2016-09-11 September 11th, 2001 was America's wake up call to terrorism. Unfortunately, we hit the snooze alarm. The next wave of terror attacks won't be nation shaking, cataclysmic events. We're ready for that. Instead, they'll be minor, localized nightmares. Mere pinpricks to our country, but catastrophic to the small towns that find themselves in the crosshairs. Worst of all, there's nothing we can do to stop it from happening - or is there? A gritty novel extrapolated from real world events, this fast-paced, riveting thriller will leave you alarmed, angry, and awestruck at America's unpreparedness for the next wave of terror attacks. Some might refer to it as death by a thousand cuts, but the counterterrorism community calls it Small Ball. Small Ball is an indictment of our woefully wrongheaded security infrastructure and a testament to the resilience, resourcefulness, and integrity of the average American. You'll wonder why it hasn't happened already. Perhaps it's happening right now...

Incidents in the Life of a Slave Girl-Harriet Jacobs 2020-10-06 "This may be the most important story ever written by a slave woman, capturing as it does the gross indignities as well as the subtler social arrangements of the time."-Kirkus Review "Of female slave narratives, Harriet Jacobs's Incidents in the Life of a Slave Girl, Written by Herself is the crowning achievement. Manifesting a command of rhetorical and narrative strategies rivaled only by that of Frederick Douglass, Jacobs's autobiography is one of the major works of Afro-American literature"- Henry Louis Gates, Jr. Incidents In the Life of a Slave Girl, the autobiography of Harriet Jacobs, was initially written with the intention of illuminating white abolitionists to the appalling treatment of female slaves in the pre-Civil War South of the United States. The book was later rediscovered in the 1960's, and it was not until the 1980s that it was proved to be an extraordinary work of autobiographical memoir as opposed to fiction. In this astonishing book, Harriet Jacobs uses the pseudonym of Linda Brent to recount her story as a slave, a mother, and her eventual escape to the north. Born into a relatively calm life as a young child to slaves, she is taken into the care of a kind mistress when her mother dies. Linda is taught to read and write, and is generally treated with respect. When the mistress passes away Linda is handed over to Dr. Flint. He is a negligent and cruel new master who subsequently pressures Linda for sexual favors, yet she resists his demands for years. In an attempt to circumvent the situation, Linda enters into a relationship with Mr. Sands, a white neighbor who ends up fathering her two children. Expecting that she and her children will be sold to Mr. Sands, Dr. Flint instead decides to subject them to further degradation. Linda escapes and goes into hiding in a small attic, and her children are

eventually sold to Mr. Sand. For over seven years, Linda remains in hiding, until she ultimately escapes North to be reunited with her children. Incidents In the Life of a Slave Girl is a devastating yet empowering document that uniquely focuses on the psychological and spiritual effects that bondage had on women slaves and their families. With an eye-catching new cover, and professionally typeset manuscript, this edition of Incidents in the Life of a Slave Girl is both modern and readable.

Blue Smoke and Murder-Elizabeth Lowell 2008-07-08 Jill Breck was just doing her job as a river guide when she saved the life of Lane Faroe, son of two of St. Kilda Consulting's premier operators. But when a string of ominous events—including a mysterious fire that kills her great-aunt and a furor in the Western art world raised by a dozen Breck family paintings—culminates in a threat to her life, Jill reluctantly calls in a favor. Zach Balfour works part-time as a consultant for St. Kilda. His expertise is gathering and analyzing information from unlikely and often dangerous sources. Though he's got the skills to be a highly effective bodyguard, being a bullet catcher isn't his preferred way to spend time. Protecting Jill will take him into familiar territory—among a strange, savagely competitive bunch of collectors who'll do anything to stay at the top. But Jill is in deeper waters than she's ever known; as she soon discovers, the perils of running wild rivers are tame compared with the hidden dangers in the high-stakes game of art collecting. From the cozy rooms of the Breck homestead cabin to the cold multimillion-dollar galleries of the Western art circuit, Zach and Jill must race against time to unmask a ruthless killer hidden in a blue smoke of money, threats, lies, and death. . . .
