Aunt Jane's Nieces-L. Frank Baum 2016-01-19 Chapter I. BETH RECEIVES AN INVITATION. Professor De Graf was sorting the mail at the breakfast table. "Here's a letter for you, Beth," said he, and tossed it across the cloth to where his daughter sat. The girl raised her eyebrows, expressing surprise. It was something unusual for her to receive a letter. She picked up the square envelope between a finger and thumb and carefully read the inscription, "Miss Elizabeth De Graf, Cloverton, Ohio." Turning the envelope she found on the reverse flap a curious armorial emblem, with the word "Elmhurst." Then she glanced at her father, her eyes big and somewhat startled in expression. The Professor was deeply engrossed in a letter from Benjamin Lowenstein which declared that a certain note must be paid at maturity. His weak, watery blue eyes stared rather blankly from behind the gold-rimmed spectacles. His flat nostrils extended and compressed like those of a frightened horse; and the indecisive mouth was tremulous. At the best the Professor was not an imposing personage. He wore a dressing-gown of soiled quilted silk and linen not too immaculate; but his little sandy moustache and the goatee that decorated his receding chin were both carefully waxed into sharp points--an indication that he possessed at least one vanity.

Aunt Jane's Nieces at Work-Lyman Frank Baum 2020-11-23 "Daddy," said Patricia Doyle at the breakfast table in her cosy New York apartment. "here is something that will make you sit up and take notice.""My dear Patsy," was the reply, "it's already sitting up I am, an' taking waffles. If anything at all would make me take notice it's your own pretty phiz.""Major," remarked Uncle John, helping himself to waf-fles from a fresh plate Nora brought in, "you Irish are such confirmed flatterers that you flatter your own daughters. Patsy isn't at all pretty this morning. She's too red and freckled."

Aunt Jane's Nieces.-L. Frank Baum 2018-05-20 Lyman Frank Baum (May 15, 1856 - May 6, 1919), better known as L. Frank Baum, was an American author chiefly famous for his children's books, particularly The Wonderful Wizard of Oz and its sequels. He wrote a total of 14 novels in the Oz series, plus 41 other novels, 83 short stories, over 200 poems, and at least 42 scripts. He made numerous attempts to bring his works to the stage and the nascent medium of film; the 1939 adaptation of the first Oz book would become a landmark of 20th century cinema. His works anticipated such century-later commonplaces as television, augmented reality, laptop computers (The Master Key), wireless telephones (Tik-Tok of Oz), women in high-risk and action-heavy occupations (Mary Louise in the Country), police corruption and false evidence (Phoebe Daring), and the ubiquity of advertising on clothing (Aunt Jane's Nieces at Work).

Aunt Jane's Nieces and Uncle-L. Frank Baum 2016-01-19 INTRODUCING "MUMBLES" Major Gregory Doyle paced nervously up and down the floor of the cosy sitting room. "Something's surely happened to our Patsy!" he exclaimed. A little man with a calm face and a bald head, who was seated near the fire, continued to read his newspaper and paid no attention to the outburst. "Something has happened to Patsy!" repeated the Major, "Patsy" meaning his own and only daughter Patricia. "Something is always happening to everyone," said the little man, turning his paper indifferently. "Something is happening to me, for I can't find the rest of this article. Something is happening to you, for you're losing your temper." "I'm not, sir! I deny it." "As for Patsy," continued the other, "she is sixteen years old and knows New York like a book. The girl is safe enough." "Then where is she? Tell me that, sir. Here it is, seven o'clock, dark as pitch and raining hard, and Patsy is never out after six. Can you, John Merrick, sit there like a lump o' putty and do nothing, when your niece and my own darlin' Patsy is lost--or strayed or stolen?"

Letters to Alice-Fay Weldon 2013-04-16 An aunt imparts wisdom to her teenage niece, inspired by the works of Jane Austen, in this novel from the Man Booker Prize-nominated author. Alice is an aspiring novelist with green hair and zero interest in reading Jane Austen for her college English class. However, her Aunt Fay, a novelist herself, isn't about to let Alice stick her nose up at Austen or other enduring authors. "You find her boring, petty and irrelevant, and, that as the world is in crisis, and the future catastrophic, you cannot imagine what purpose there can be in reading her," Fay writes her. "My dear pretty little Alice, now with black and green hair . . . How can I hope to explain Literature to you, with its capital 'L'?" Alternating between passages from Jane Austen's novels and accounts of her own career, Aunt Fay pays tribute to a great author, explores the craft of fiction, and charts her niece's development as a writer in this unique book that reveals how Austen—and great literature—is truly, wonderfully timeless.

The Red Parts-Maggie Nelson 2016-04-05 Late in 2004, Maggie Nelson was looking forward to the publication of her book Jane: A Murder, a narrative in verse about the life and death of her aunt, who had been murdered thirty-five years before. The case remained unsolved, but Jane was assumed to have been the victim of an infamous serial killer in Michigan in 1969. Then, one November afternoon, Nelson received a call from her mother, who announced that the case had been reopened; a new suspect would be arrested and tried on the basis of a DNA match. Over the months that followed, Nelson found herself attending the trial with her mother and reflecting anew on the aura of dread and fear that hung over her family and childhood--an aura that derived not only from the terrible facts of her aunt's murder but also from her own complicated journey through sisterhood, daughterhood, and girlhood. The Red Parts is a memoir, an account of a trial, and a provocative essay that interrogates the American obsession with violence and missing white women, and that scrupulously explores the nature of grief, justice, and empathy.
