Aunt Jane's Nieces **Out West**-Edith Van Dyne 1914 Out in Hollywood, Aunt Jane's nieces look into producing films for children, a venture Uncle John is proud to support. They also try to prove the innocence of an accused jewel thief.

Aunt Jane's Nieces-L. Frank Baum 2016-01-19 Chapter I. BETH RECEIVES AN INVITATION. Professor De Graf was sorting the mail at the breakfast table. "Here's a letter for you, Beth," said he, and tossed it across the cloth to where his daughter sat. The girl raised her eyebrows, expressing surprise. It was something unusual for her to receive a letter. She picked up the square envelope between a finger and thumb and carefully read the inscription, "Miss Elizabeth De Graf, Cloverton, Ohio." Turning the envelope she found on the reverse flap a curious armorial emblem, with the word "Elmhurst." Then she glanced at her father, her eyes big and somewhat startled in expression. The Professor was deeply engrossed in a letter from Benjamin Lowenstein which declared that a certain note must be paid at maturity. His weak, watery blue eyes stared rather blankly from behind the gold-rimmed spectacles. His flat nostrils extended and compressed like those of a frightened horse; and the indecisive mouth was tremulous. At the best the Professor was not an imposing personage. He wore a dressing-gown of soiled quilted silk and linen not too immaculate; but his little sandy moustache and the goatee that decorated his receding chin were both carefully waxed into sharp points--an indication that he possessed at least one vanity.

Aunt Jane's Nieces in the Red Cross-Edith Van Dyne 1915 Three American girl cousins leave the comforts of home to join the Red Cross and go abroad to nurse wounded soldiers during World War I.

Aunt Jane's Nieces-Lyman Frank Baum 1906

Aunt Jane's Nieces Abroad-Lyman Frank Baum 1906 The follow-up to the smash hit **Aunt Jane's Nieces**, **Aunt Jane's Nieces Abroad** is the second in the series of ten novels that Wizard of Oz creator L. Frank Baum penned for young adults at the dawn of the twentieth century. This entry follows the travels of wacky baron John Merrick as he takes his three nieces on a grand tour of Europe.

Aunt Jane's Nieces on Vacation-Lyman Frank Baum 1912 This novel is the seventh in L. Frank Baum's ten-volume **Aunt Jane's Nieces** series. In this installment, the title characters start a small newspaper in Millville, New York, learn of the mill owners' greediness and discover the importance of individualism.

Aunt Jane's Nieces.-L. Frank Baum 2018-05-20 Lyman Frank Baum (May 15, 1856 - May 6, 1919), better known as L. Frank Baum, was an American author chiefly famous for his children's books, particularly *The Wonderful Wizard of Oz* and its sequels. He wrote a total of 14 novels in the Oz series, plus 41 other novels, 83 short stories, over 200 poems, and at least 42 scripts. He made numerous attempts to bring his works to the stage and the nascent medium of film; the 1939 adaptation of the first Oz book would become a landmark of 20th century cinema. His works anticipated such century-later commonplaces as television, augmented reality, laptop computers (*The Master Key*), wireless telephones (*Tik-Tok of Oz*), women in high-risk and action-heavy occupations (*Mary Louise in the Country*), police corruption and false evidence (*Phoebe Daring*), and the ubiquity of advertising on clothing (**Aunt Jane's Nieces at Work**).

Aunt Jane's Nieces in Society-Lyman Frank Baum 1910

Aunt Jane's Nieces in the Red Cross-L. Frank Baum 2020-11-23 This is the story of how three brave American girls sacrificed the comforts and luxuries of home to go abroad and nurse the wounded soldiers of a foreign war.I wish I might have depicted more gently the scenes in hospital and on battlefielid, but it is well that my girl readers should realize something of the horrors of war, that they may unite with heart and soul in earnest appeal for universal, lasting Peace and the future abolition of all deadly strife.Except to locate the scenes of my heroines' labors, no attempt has been made to describe technically or histori-cally any phase of the great European war. The character of Doctor Gys is not greatly exaggerated but had its counterpart in real life. As for the little Belgian who had no room for scruples in his active brain, his sto-ry was related to me by an American war correspondent who vouched for its truth. The other persona in the story are known to those who have followed their adventures in other books of the "Aunt Jane's Nieces" series.Edith van Dyne

Aunt Jane's Nieces and Uncle-L. Frank Baum 2016-01-19 INTRODUCING "MUMBLES" Major Gregory Doyle paced nervously up and down the floor of the cosy sitting room. "Something's surely happened to our Patsy!" he exclaimed. A little man with a calm face and a bald head, who was seated near the fire, continued to read his newspaper and paid no attention to the outburst. "Something has happened to Patsy!" repeated the Major. "Patsy" meaning his own and only daughter Patricia. "Something is always happening to everyone," said the little man, turning his paper indifferently. "Something is happening to me, for I can't find the rest of this article.

Something is happening to you, for you're losing your temper." "I'm not, sir! I deny it." "As for Patsy," continued the other, "she is sixteen years old and knows New York like a book. The girl is safe enough." "Then where is she? Tell me that, sir. Here it is, seven o'clock, dark as pitch and raining hard, and Patsy is never out after six. Can you, John Merrick, sit there like a lump o' putty and do nothing, when your niece and my own darlin' Patsy is lost--or strayed or stolen?"

L. Frank Baum-Katharine M. Rogers 2007-04-01 Since it was first introduced over a hundred years ago in *The Wonderful Wizard of Oz*, L. Frank Baum's world of Oz has become one of the most enduring and beloved creations in children's literature. It has influenced numerous prominent writers and intellectuals, and become a lasting part of the culture itself. L. Frank Baum was born in 1856 in upstate New York, the seventh child of a very successful barrel-maker and later oil producer. However, Baum's own career path was a rocky one. Beginning as an actor, Baum tried working as a traveling salesman, the editor of a small town newspaper and the publisher of a trade journal on retailing, failing to distinguish himself in any occupation. His careers either failed to provide a sufficient living for his beloved wife Maud and their children or were so exhausting as to be debilitating. In the 1890's, L. Frank Baum took the advice of his mother-in-law, suffragist leader Matilda Gage, and turned his attention to trying to sell the stories he'd been telling to his sons and their friends. After a few children's books published with varying success, he published *The Wonderful Wizard of Oz* in 1900 and it quickly became a bestseller and has remained so ever since. In this first full-length adult biography of Baum, Rogers discusses some of the aspects that made his work unique and has likely contributed to Oz's long-lasting appeal, including Baum's early support of feminism and how it was reflected in his characters, his interest in Theosophy and how it took form in his books, and the celebration in his stories of traditional American values. Grounding his imaginative creations, particularly in his fourteen Oz books, in the reality of his day, Katharine M. Rogers explores the fascinating life and influences of America's greatest writer for children.
