Aunt Jo's Scrap-Bag-Louisa May Alcott 2020-02-22 A boy sat on a door-step in a despondent attitude, with his eyes fixed on a pair of veryshabby shoes, and his elbows resting on his knees, as if to hide the big patches there. But it was not the fact that his toes were nearly out and his clothes dilapidated whichbrought the wrinkles to his forehead and the tears to his eyes, for he was used to thatstate of things, and bore it without complaint. The prospect was a dull one for a lively ladfull of the spring longings which sunny April weather always brings. But it was not thenarrow back-street where noisy children played and two or three dusty trees tried to budwithout sunshine, that made him look so dismal. Nor was it the knowledge that a pile ofvests was nearly ready for him to trudge away with before he could really rest afterdoing many errands to save mother's weary feet.

But it was not the fact that his toes were nearly out and his clothes di-lapidated which brought the wrinkles to his fore-head and the tears to his eyes, for he was used to that state of things, and bore it without complaint. Louisa May Alcott, Her Life, Letters, and Journals-Louisa May Alcott 1892 Truly one of the most remarkable women of the nineteenth century, Alcott spent part of her childhood in an experimental Utopian community, received lessons from Henry David Thoreau and Nathaniel Hawthorne, served as a volunteer nurse during the Civil War, and became one of America's most beloved writers by penning an impressive collection of children's tales, novels, and essays. In this 1889 work, Ednah D. Cheney takes an in-depth look at Alcott's life, piecing together her biography with excerpts from her journals and personal correspondence. Alcott's journal entries, in particular, showcase her wit and sharpness with gems like "Stories simmered in my brain, demanding to be writ; but I let them simmer, knowing that the longer the divine afflatus was bottled up the better it would be."
