Auriane-Cécile Koppel 2017-01-23 Ce roman de science-fiction vous fera vivre un voyage bouleversant entre deux mondes... Onil s'est fait enlever. Séquestré, martyrisé, il vit des heures éprouvantes et va se découvrir un allié en la personne de Solim, son formateur, avec lequel il entretient des relations difficiles et conflictuelles. Pourquoi Solim met-il sa propre vie en danger pour lui venir en aide ? Onil est spécial. Il n'en sait rien. Ceux qui l'ont enlevé non plus. Solim s'en doute, mais il ne sait pas exactement en quoi. Sans l'avoir voulu, alors même qu'il croit cela tout à fait impossible, cette particularité que possède Onil va lui permettre de quitter la dimension dans laquelle il vit. Il se retrouve ici... dans le monde où nous vivons... Des garçons ordinaires vont croiser sa route et cette rencontre va bouleverser leur vie... ainsi que celle d'Auriane, la sœur de l'un d'eux... Le premier tome d'une saga fantasy très prometteuse. À découvrir sans attendre ! EXTRAIT C'était un endroit noir, humide et froid. Le silence total faisait comme un bourdonnement rythmé par les battements de son cœur. Tout son corps lui faisait mal. Ses yeux brûlants pleuraient encore. Il tremblait violemment. S'asseoir lui demanda beaucoup de temps et d'efforts. Il essaya de remettre ses idées en ordre, mais des crampes spasmodiques l'empêchaient de se concentrer. Il lui semblait que son cerveau ondulait au ralenti le long de pensées sans suite. Soudain, il se rappela qu'il avait vu Solim quelque part, ici... Toute son attention tenta de se fixer sur cette réalité terrible. Que devait-il faire ? Mais le fil lui échappa. Pourquoi devait-il faire quelque chose ? À propos de quoi ? Ses idées avaient les mêmes sursauts que son corps. Elles revenaient en arrière, puis reprenaient le cours de raisonnements qui n'aboutissaient nulle part, se court-circuitaient les uns les autres. Il ne savait plus comment avançait le temps. Ni même s'il avançait. Avant n'avait pas plus de réalité que tout à l'heure. Le présent prenait toute la place et tournait sur lui-même, ramenant constamment les mêmes images, les mêmes interrogations, les mêmes douleurs. Par instant, il lui semblait se rappeler qui il était. Pendant quelques secondes, il prenait conscience qu'une réalité aussi importante lui avait échappée. Une bouffée d'angoisse le traversait, puis lui échappait à son tour... Le temps passait pourtant... CE QU'EN PENSE LA CRITIQUE Bref, un livre à la fois divertissant et extrêmement profond pour tous les âges. Je vous le conseille vivement. - Ciena Ollier, Les nouvelles plumes À PROPOS DE L'AUTEUR Cécile Koppel vit dans le sud de la France. Elle est éducatrice de jeunes enfants en crèche depuis plus de 20 ans. Serdhif-Cécile Koppel 2017-09-05 Auriane se retrouve coincée dans l'autre monde... et elle n'est pas au bout de ses peines ! Pour sauver Solim, Onil est revenu chercher de l'aide auprès d'Auriane et l'a entraînée dans une dimension parallèle, un "Monde Parfait" qui est loin d'être aussi parfait qu'il en a l'air. Le resal a disparu, et la possibilité pour Auriane de retourner dans son propre monde s'est évanouie avec lui. La voilà obligée de partager la cavale d'Onil, prisonnière d'un environnement inconnu qu'elle va essayer de déchiffrer. Où trouver de l'aide dans ce monde partial et arbitraire dont l'équilibre social est garanti par une police omnisciente ? Le danger est partout et Auriane doit apprendre à vivre avec sa peur. Comment imaginerait-elle se retrouver bientôt dans une situation encore plus angoissante ? Le deuxième tome de la saga Le monde d'Anaonil vous entraîne dans une nouvelle intrigue passionnante entre deux mondes ! EXTRAIT Auriane avançait dans la bonne direction, c'était déjà ça... Elle ne se retournait pas. Au début, elle avait de temps en temps envoyé valser de grosses pommes de pin d'un violent coup de pied. Maintenant elle filait droit devant elle. Ulysse la suivait de loin. Voilà des heures qu'elle marchait d'un pas rapide sans jamais ralentir l'allure. L'orage grondait depuis un moment. La pluie se mit à tomber. Ce fut soudain, et tout de suite très fort. De grosses gouttes drues et... mouillées. Auriane se rapprocha de la paroi rocheuse qu'ils longeaient et chercha un abri. Elle finit par trouver une cavité peu profonde creusée

dans la roche et pénétra à l'intérieur. L'eau avait déjà traversé ses vêtements. Elle s'accroupit au fond du trou, là où les gouttes poussées par le vent ne pouvaient l'atteindre. CE QU'EN PENSE LA CRITIQUE Les promesses entrevues lors du premier tome se révèlent comblées. Ce va et vient entre deux mondes si loin et si proches à la fois nous tient en haleine, le destin des personnages nous cadenas à l'histoire. Fruit d'une imagination débordante, mais diablement maîtrisée, le récit se veut fluide et limpide... et prenant en diable. Pour un coup d'essai dans le monde littéraire, toute cette petite aventure commence à ressembler à un coup de maître... - Stréphane, lecteur À PROPOS DE L'AUTEUR Cécile Koppel vit dans le sud de la France. L'Invictus-Cécile Koppel 2018-03-28 Onil n'est pas au bout de ses surprises... Vous avez suivi Onil à Serdhif, puis à DimHénoé. Vous l'avez accompagné à Eghenne où il est venu en aide aux rebelles. Vous l'avez vu devenir un des leurs, puis leur fausser compagnie pour porter secours à Solim... Entre les lignes de cette aventure étonnante au scénario solide et maîtrisé, le Monde d'Anaonil continue de se dévoiler dans sa richesse et sa complexité. Vous attendiez la suite avec impatience ? Partez à la découverte de DimJoania, une communauté inhospitalière où Onil ne va pas tarder à s'apercevoir que sa qualité de lignée engendre autour de lui une puissante hostilité... Ce quatrième tome des aventures d'Onil vous tiendra en haleine jusqu'à la dernière page ! EXTRAIT Ulysse ne répondit pas. Inquiet ? Non. Personne n'avait désinitialisé son telib, et ça, c'était bon signe. Il n'était que modérément inquiet. Il ne pensait pas risquer sa vie, ici. Le fait qu'il n'ait plus à mourir forcément dès le lendemain, lui permettait de se projeter d'une manière nettement plus sereine dans la représentation qu'il se faisait de son avenir. Cette réflexion l'amena vers Solim. Ce dernier, détenu à DimHénoé par d'autres exogènes, se trouvait dans une situation plus incertaine que la sienne. Ulysse espérait que ce soit dans des conditions supportables. Auriane demanda à Ulysse comment il voyait la suite du programme. – On attend... CE QU'EN PENSE LA CRITIQUE Ce tome 4 est aussi addictif que les précédents, il annonce une suite et fin explosive. Ulysse se découvre d'étranges capacités (encore). Il n'a pas fini de nous surprendre. (...) Je vais craquer de devoir attendre pour avoir la suite ! - Aurélia K. À PROPOS DE L'AUTEUR Cécile Koppel vit dans le sud de la France. Le grimoire double monde-Elodie Aoustin 2018-03-28 Le grimoire double monde est un étrange ouvrage qui a traversé les guerres au fil des siècles... Ce grimoire donne un avantage considérable à ceux parvenant à lui faire dévoiler ses secrets. C'est ce livre qu'Alissa se voit offrir pour sa réussite au bac. Après l'avoir lu, elle remarque une note sur la troisième de couverture et se retrouve alors emportée dans un voyage qu'elle n'avait pas réellement prévu. Catapultée dans un monde très différent du sien, en conflit dissimulé, peuplé d'elfes, de dragons, de chimères, de loup-garous et de vampires ; elle se fera aider par Ainëlealin, un elfe sylvain au premier abord froid et distant, mais extrêmement fiable et aimable, accompagné par son dragon d'or, Iranë, pour régler la guerre et ramener la paix sur le continent du Nadrian. Cette aventure fantastique rappelle les meilleurs classiques du genre ! EXTRAIT L'herbe lui chatouillait les bras et la nuque, elle était allongée à écouter les bruits autour d'elle. Avions, rires d'adolescents, froissement sec de ses cheveux dont une partie lui caressait le front, le reste étant étendu autour d'elle, voitures un peu plus loin, plus quelques oiseaux cachés dans les branches quelque part. Un soupir près d'elle lui ôta son sourire niais du visage. Son amie maugréait. « Alissa, tu n'écoutes

pas... Tu devrais réviser. On a un contrôle tout à l'heure ! À PROPOS DE L'AUTEUR J'ai 25 ans et j'ai commencé le premier tome du Grimoire double monde à 17 ans. Je suis tombée amoureuse de cet univers qui est né sous ma plume à mesure que les idées venaient et s'agençaient peu à peu. C'est un univers qui m'a permis de réaliser une chose dont je n'ai jamais été capable : voyager dans un autre monde empli de magie, parce que ça ne m'est jamais arrivé, pourquoi pas les vivre à travers quelqu'un d'autre ? J'ai donc commencé l'aventure et celle-ci continue de se prolonger à travers d'autres livres qui font suite au tome un. Je vous invite donc à suivre Alissa à travers ses aventures, il vous suffit pour cela de lui emboîter le pas ou prendre la main qu'elle vous tend.

La découverte-Liz Vaubreuil 2017-09-05 À la découverte d'un monde inconnu Eusebès vit sur les îles des Oribes, arrachées au continent par le puissant Almonzaz de Vauvral, afin de les protéger des infâmes créatures magiques s'y trouvant. Un jour pourtant Eusebès devient l'une d'elles. Il ne lui reste plus, alors, d'autre choix que la fuite vers ce continent inconnu qu'elle craint tant. Plongez dans un univers fantasy fascinant avec ce premier tome de la saga Erlac ! EXTRAIT Les journées s'écoulèrent, l'hiver laissant place au printemps. Eusebès avait pris l'habitude de se lever à l'aube pour aller chasser avant de rentrer et de se plonger dans ses études jusqu'au début de la soirée. Dès que le temps le leur permettait ils dînaient sur la terrasse, à la lumière de l'énorme bougie parfumée à la citronnelle qui tenait les insectes à distance. Eusebès avait reçu plusieurs lettres de son oncle la conviant chez lui, lettres auxquelles elle répondait invariablement que son emploi du temps surchargé ne lui laissait aucun temps pour une visite. Il lui fallait emmener Penndrogn chasser tous les matins, ce qui rendait toute nuit d'observation impossible. À PROPOS DE L'AUTEUR Liz Vaubreuil est née le 3 juin 1995 à Toulouse. Passionnée de jeux de rôle, elle décide de créer son propre univers pour s'en servir comme base pour ses futures soirées de jeu. Celui-ci dérivait rapidement vers le premier tome d'Erlac.

Son Garde du Corps Loup-Jodi Vaughn 2020-02-07 Sauvage. Indomptable. Un besoin ardent. Elle ne peut éviter de se brûler. Le loup métamorphe Damon Trahan vit selon un seul code : protéger sa meute au péril de sa propre vie. Il aime sa solitude et évite les complications, jusqu'à ce qu'on lui donne pour mission de secourir la fille d'un général enlevée par une meute de loups rivales... ou de mourir en essayant. Il est loin de se douter qu'elle lui donnera envie de renoncer à tous ses principes, car la meute ennemie n'est pas le seul adversaire dans la vie d'Ava. Son propre père lui a caché de lourds secrets, et c'est désormais à Damon de la convaincre de la vérité avant qu'il ne soit trop tard. Ava Renfroee en a assez que des machos essaient de contrôler sa vie. Après avoir été élevée par un général de l'armée, son indépendance est ce qu'elle a de plus cher. Lorsqu'elle est kidnappée, le danger éveille en elle une fureur sans égale. Et comme si cela ne suffisait pas, son garde du corps est autoritaire et arrogant, exactement le genre d'homme dont elle ne veut pas ; mais allez l'expliquer à sa libido incontrôlable. Se retrouver en fuite avec un inconnu sombre et puissant va pousser Ava si loin dans ses retranchements qu'elle ne s'en remettra peut-être jamais. Et quelle est cette nature sauvage et exigeante qu'elle sent s'éveiller en elle ? Pris en chasse par la meute de loups, Damon ne peut que rester auprès d'elle... et laisser leur passion s'embraser.

The Pages of the Mind-Jeffe Kennedy 2016-06-01 An Orphan's Throne Magic has broken free over the Twelve Kingdoms. The population is beset by shapeshifters and portents, landscapes that migrate, uncanny allies who are not quite human...and enemies eager to take advantage of the chaos. Dafne Mailloux is no adventurer--she's a librarian. But the High Queen trusts Dafne's ability with languages, her way of winnowing the useful facts from a dusty scroll, and even more important, the subtlety and guile that three decades under the thumb of a tyrant taught her. Dafne never thought to need those skills again. But she accepts her duty. Until her journey drops her into the arms of a barbarian king. He speaks no tongue she knows but that of power, yet he recognizes his captive as a valuable pawn. Dafne must submit to a wedding of alliance, becoming a prisoner-queen in a court she does not understand. If she is to save herself and her country, she will have to learn to read the heart of a wild stranger. And there are more secrets written there than even Dafne could suspect... Praise for The Mark of the Tala "Magnificent...a richly detailed fantasy world." --RT Book Reviews, 4 1/2 stars, Top Pick "Well written and swooningly romantic." --Library Journal, starred review

Burn Bright-Patricia Briggs 2019-01-29 THE #1 NEW YORK TIMES BESTSELLER In her bestselling Alpha and Omega series, Patricia Briggs "spins tales of werewolves, coyote shifters, and magic and, my, does she do it well" (USA Today Online). Now mated werewolves Charles Cornick and Anna Latham face a threat like no other--one that lurks too close to home... They are the wild and the broken. The werewolves too damaged to live safely among their own kind. For their own good, they have been exiled to the outskirts of Aspen Creek, Montana. Close enough to the Marrok's pack to have its support; far enough away to not cause any harm. With their Alpha out of the country, Charles and Anna are on call when an SOS comes in from the fae mate of one such wildling. Heading into the mountainous wilderness, they interrupt the abduction of the wolf--but can't stop blood from being shed.

Now Charles and Anna must use their skills--his as enforcer, hers as peacemaker--to track down the attackers, reopening a painful chapter in the past that springs from the darkest magic of the witchborn...

Antarctica-Kim Stanley Robinson 2010-07-21 The award-winning author of the Mars trilogy takes readers to the last pure wilderness on Earth in this powerful and majestic novel. "Antarctica may well be the best novel of the best ecological novelist around."—Locus It is a stark and inhospitable place, where the landscape itself poses a challenge to survival, yet its strange, silent beauty has long fascinated scientists and adventurers. Now Antarctica faces an uncertain future. The international treaty which protects the continent is about to dissolve, clearing the way for Antarctica's resources to be plundered, its eerie beauty to be savaged. As politicians wrangle over its fate, major corporations begin probing for its hidden riches. Adventurers come, as they have for more than a century, seeking the wild, untamed land even as they endanger it with their ever-growing numbers. And radical environmentalists carry out a covert campaign of sabotage to reclaim the land from those who would destroy it for profit. All who come here have their own agenda, and all will fight to ensure their vision of the future for the remote and awe-inspiring world at the South Pole. Praise for Antarctica "Forbidding yet fascinating, like the continent it describes . . . echoes Jon Krakauer's Into Thin Air."—People "[Antarctica] should be included in any short-list of books about the frozen continent.... Compelling characters...a rich and dense story...Robinson has succeeded not only in drawing human characters but also in bringing Antarctica to life. Whatever happens in the outer world, Antarctica—both the book and the continent—will become part of the reader's interior landscape."—The Washington Post Book World "The epic of Antarctica. This is the James A. Michener novel of the South Pole. If the meaty one-word title didn't give it away, the writing would. The whole human history of the continent is here."—Interzone "Antarctica will take your breath away."—Associated Press "A gripping tale of adventure on the ice."—Publishers Weekly "Passionate, informed...vastly entertaining."—Kirkus Reviews "Robinson writes about geography and geology with the intensity and unhurried attention to detail of a John McPhee."—The New York Times Book Review

The Black Key-Amy Ewing 2016-10-04 The thrilling conclusion to the New York Times bestselling Lone City trilogy, which began with The Jewel, a book BCCB said "will have fans of Oliver's Delirium, Cass's The Selection, and DeStefano's Wither breathless." For too long, Violet and the people of the outer circles of the Lone City have lived in service of the royalty of the Jewel. But now, the secret society known as the Black Key is preparing to seize power. While Violet knows she is at the center of this rebellion, she has a more personal stake in it—for her sister, Hazel, has been taken by the Duchess of the Lake. Now, after fighting so hard to escape the Jewel, Violet must do everything in her power to return not only to save Hazel, but the future of the Lone City.

Dorian-Will Self 2003-06-26 In the summer of 1981, aristocratic, drug-addicted Henry Wooten and Warhol-acolyte Baz Hallward meet Dorian Gray. Dorian is a golden Adonis - perfect, pure and (so far) deliciously uncorrupted. The subject of Baz's video installation, Cathode Narcissus, and the object of Henry's attentions, Dorian is launched on a hedonistic binge that spans the '80s and '90s. But as Baz and Henry succumb to the Aids epidemic, how is it that Dorian, despite all his sexual and narcotic debauchery, remain so unsullied - so vibrantly alive?

Green Rider-Kristen Britain 2008-11-04 Magic, danger, and adventure abound for messenger Karigan G'ladheon in author Kristen Britain's New York Times bestselling Green Rider fantasy series • "First-rate fantasy." —Library Journal On her long journey home from school after a fight that will surely lead to her expulsion, Karigan G'ladheon ponders her uncertain future. As she trudges through the immense Green Cloak forest, her thoughts are interrupted by the clattering of hooves, as a galloping horse bursts from the woods. The rider is slumped over his mount's neck, impaled by two black-shafted arrows. As the young man lies dying on the road, he tells Karigan he is a Green Rider, one of the legendary messengers of the king of Sacordia. Before he dies, he begs Karigan to deliver the "life and death" message he bears to King Zachary. When she reluctantly he agrees, he makes her swear on his sword to complete his mission, whispering with his dying breath, "Beware the shadow man...". Taking on the golden-winged horse brooch that is the symbol of the Green Riders, Karigan is swept into a world of deadly danger and complex magic, her life forever changed. Compelled by forces she cannot understand, Karigan is accompanied by the silent specter of the fallen messenger and hounded by dark beings bent on seeing that the message, and its reluctant carrier, never reach their destination.

The Lost Witch-Chandelle LaVaun 2018-02-21 I thought magic was make believe. Now I must choose: join his coven or fight off demons alone. When I kissed a beautiful stranger after my sixteenth birthday, I knew nothing about the supernatural world he'd lead me to or my vital role within it. But despite learning that I'm supposedly a powerful witch, no one will show me how to use my magic, and he keeps pushing me away. Suddenly, I'm selected by the Goddess to hunt down a mythical locket as old as the world itself. I'm the last person ready for such a daunting task, but he tells me I can do it, and he insists on joining me. But the quest is more dangerous than anyone imagined, and I need to master my magic fast. If I don't, I could get everyone I care about killed... How to Make Maximum Money with Minimum Customers: 21 Proven Direct-Marketing Strategies Anyone Can Use!-Craig Garber 2011-05 Are you an entrepreneur or salesperson who needs more qualified leads? How about converting your existing leads into paying customers and clients, "much" faster?Are you a doctor, financial services, or other trade professional, who's always dreamed of having effortless, 'almost magic-like' marketing that'll have your daily planner "filled" with appointments?Do you own a jewelry store, dry cleaners, or other retail establishment you'd love to see "packed" with paying customers?Have you had it 'up to here' with clients who demand first-class service, even though they're on a Wal-Mart budget? Do you want to avoid tire-kickers who shop around for the lowest prices in town or online, and instead, only deal with ultra-rich clients who are thrilled to be working with someone of your caliber? If you answered 'Yes ' to any of these questions, or if you just want to make a LOT of money, "very" quickly, then this is the most exciting and important book you will ever read. Often compared to Eugene Schwartz 'Breakthrough Advertising, ' inside you'll discover: How Garber made \$578,463 in one year with a small list of customers, without spending a dime on advertising and almost all at 90% profit. Garber shows you how to at "least" double your sales, whether you work online, offline, or both. Not by begging JV's or affiliates to promote you, but by using fresh new ideas that work in ANY business.On page 42, you'll uncover the single greatest secret weapon for making money in any business. How powerful is this secret? Quite simply, it is the best source of ongoing and predictable income, referrals and repeat business, in the world. And, it has almost "zero" downside risk.What about advertising? Are you sick and tired of running online and offline ads that never get the kind of responses you want? Is your website more like a ghost town than a bustling freeway, filled with traffic? Don't worry, Chapter 23, "How To Write A Sales Letter That Sells, " gives you the blueprint to designing compelling ads that'll have your buyers lined up and practically "begging" you to take their money. Garber walks you through the 12 proven items you MUST include in every ad or sales letter, to make them perform as reliably as a Swiss watch.As you know, there are only three ways to make more money: Raise your prices, get more customers, or increase the value of your average transaction size. In Chapter 12, you'll discover a simple strategy (which takes less than 5 minutes to implement) that gets up to 98.4% of your customers to spend more money with you, every time they buy.How to sell products and services for much higher prices and profit margins than your competition The secret to charging top-dollar is knowing how to 'position' yourself in the marketplace. And this is much easier to do than you think, as you'll see in Chapter 10, "How To Become Number One In Your Industry."Why conventional business and marketing advice is useless, because it revolves around exchanging time for money. Look, whenever you're trading time for money, your income is limited by the amount of time you're either "willing," or are physically able, to work. Garber reveals 2 simple strategies (pages 135 and 321) that leverage your time and multiply your effort, so your cash-flow is no longer tied to how long or how hard you can work. Result: a lot less work... and a lot more money. Listen, 'hoping' things get better, won't work. "Hope" is not a good business strategy. In times like this, you need to "think" smarter, not "work" harder, and this book shows you "exactly" how to do this.

Princes of the Underworld: a Steamy Romantic Urban Fantasy-Lila Jean 2018-11-15 Four immortal demon princes. One strong-willed human. A bewitched amulet that makes her Queen of the Underworld-and binds the five of them together. Sadie's world is crumbling beneath her, and she's starting to wish for a way out of her lonely life in Seattle. But when her sister Blair arrives unannounced in the middle of the night, covered in blood and carrying a glowing medallion, Sadie has no idea her wish is about to come true in the most violent of ways. All of hell is after the amulet's vast power. And when Blair puts it around Sadie's neck, all of hell is suddenly after her as well. Separated from Blair and with hardly any information to go on, Sadie finds herself surrounded by four stunning men-the warring demon brothers of the Underworld. The princes hate each other with a passion, and yet they're bound to her side, captivated and ensnared by her magic. In an instant, the amulet gives Sadie everything she ever wanted-wealth, power, even a fortress with a mind of its own. But she also inherits the amulet's enemies, and they're about to kick down her door. Sadie has no idea who she can trust-except for her men. As she spends time with each of the supernatural princes who won't leave her the hell alone, she falls for them. Hard. Though they can't stand each other, she can't imagine ruling her new kingdom without them all. But this is the Underworld, the land of monsters and warlocks, of angels and deadly treachery. The shadows of the Underworld hold secrets, and as her enemies close in on her new life, Sadie has to make a choice-surrender her newfound power, or stand as Queen and fight for the last remaining ounce of integrity and justice left in the Underworld. There are armies at the gate. Traitors in the fortress. Blood on the walls. Good thing Sadie is too damn stubborn to quit. Princes of the Underworld is a full-length novel. Get ready for a captivating story, immortal romance, lip-biting love scenes, earth-shatteringly powerful magic, one kickass heroine, four stunning demon princes, lots of toned muscles, fights to the death, and edge-of-your-seat action. The Dead House-Dawn Kurtagich 2015-09-15 Welcome to the Dead House. Three students: dead. Carly Johnson: vanished without a trace. Two decades have passed since an inferno swept through Elmbridge High, claiming the lives of three teenagers and causing one student, Carly Johnson, to disappear. The main suspect: Kaitlyn, "the girl of nowhere." Kaitlyn's diary, discovered in the ruins of Elmbridge High, reveals the thoughts of a disturbed mind. Its charred pages tell a sinister version of events that took place that tragic night, and the girl of nowhere is caught in the center of it all. But many claim Kaitlyn doesn't exist, and in a way, she doesn't - because she is the alter ego of Carly Johnson. Carly gets the day. Kaitlyn has the night. It's during the night that a mystery surrounding the Dead House unravels and a dark, twisted magic ruins the lives of each student that dares touch it. Debut author Dawn Kurtagich masterfully weaves together a thrilling and terrifying story using psychiatric reports, witness testimonials, video footage, and the discovered diary - and as the mystery grows, the horrifying truth about what happened that night unfolds.

Garden of Lies-Amanda Quick 2015-04-21 The New York Times bestselling author of The Other Lady Vanishes presents a gripping novel of intrigue, murder, and unexpected romance set against the backdrop of Victorian London. The Kern Secretarial Agency provides reliable professional services to its wealthy clientele, and Anne Clifton was one of the finest young women in Ursula Kern's employ. But Miss Clifton has met an untimely end—and Ursula is convinced it was not due to natural causes. Bent on justice, Ursula hatches a plan: take Anne's place as stenographer to the reclusive poet Valerie, Lady Fulbrook. There are dark rumors about Lord Fulbrook, and his gloomy mansion in Mapstone Square seems the logical starting point for an undercover investigation. Archaeologist and adventurer Slater Roxton thinks Mrs. Kern is off her head to meddle in such dangerous business. But if this mysterious widowed beauty insists on stirring the pot, Slater intends to remain close by as they venture into the darker side of polite society and a den of iniquity called the Olympus Club. Together they must reveal the identity of a killer—and to achieve their goal they may need to reveal their deepest secrets to each other as well...

There were moments when I laughed, moments where I gasped in surprise, and moments where I knew I could not read fast enough because I had to know what was going to happen next... My only complaint? That it ended and now I need to wait. I must know what happens next. I must!!!!' Series Tracker 'Are you ready for a grip the edge of your seat-repeating mantra of OMG as you turn the pages eagerly? Looking for something with intensity but also something that leaves you begging for more??? Looking for a new fav??? YES. This book is all of what you need and so much more! Go Into This One Knowing. Best. Book. Ever.' Crossroad Reviews 'This was incredible!... such a slow burn romance but the build-up had my heart beating out of my chest, the angst and suspense was killing me... This book was perfectly paced and the lack of info-dumping, love triangles and insta-love made for a perfect start to a new series. Switching from POV's from England and Paris and following the characters as they go from across countries was a great concept. With the addition of magic, action and adventure this book could really do no wrong in my eyes. There isn't a cliffhanger ending just the promise of lots more to come in the next installment which I'm now anxiously awaiting. I highly recommend this to fellow fantasy lovers who are looking for a brand new world to immerse themselves in, with great characters, a promising romance and a thrilling journey ahead.' Literary-ly Obsessed 'I love this book! It was really great! I've always loved books that include Alchemy as its major fantasy core, I just think that it's such a fascinating 'science'! ... I read the first chapter, and I was completely swept into this amazing world! ... can't wait until the second book comes out, and to continue exploring this amazing story! Just Another Bookish Blog 'thrilling and exciting all at the same time... an excellent paranormal fantasy... such amazing story telling' Books at Dawn

Darkness Unmasked-Keri Arthur 2013-06-04 The sexy, exciting, suspenseful adventures continue in New York Times bestselling author Keri Arthur's Dark Angels series, starring Risa Jones, a half-Aedh/half-werewolf. She can

speak to the souls of the dying and the dead, and can see Reapers, the collectors of souls. Shortly after her fight on the astral plane, Risa receives a phone call from Madeline Hunter, the leader of the vampire council, ordering her to investigate the death of Hunter's close friend and lover - Wolfgang Schmidt. His body has been discovered wrapped in a web-like substance and has been completely drained. As the body count continues to grow, Risa must summon her gifts to find the dark spirit before it strikes again. Meanwhile, as the search for the keys that keep the gate to Hell closed grows more intense, Risa begins to unravel mysteries that will have startling consequences for her.

Principles of Orchestration with Musical Examples Drawn from his Own Works-Nikolay Rimsky-Korsakov 2015-09-13 In his "Memoirs of my musical life" the following passage occurs: "I had planned to devote all my energies to the compilation of a full treatise on orchestration. To this end I made several rough copies, jotting down explanatory notes detailing the technique of different instruments. What I intended to present to the world on this subject, was to include everything. The writing of this treatise, or, to be more exact, the sketch for it took up most of my time in the years 1873 and 1874. After reading the works of Tyndall and Helmholtz, I framed an introduction to my work, in which I endeavoured to expound the laws of acoustics as applied to the principles governing the construction of musical instruments. My manual was to begin with a detailed list of instruments, classified in groups and tabulated, including a description of the various systems in use at the present day. I had not yet thought of the second part of the book which was to be devoted to instruments in combination. But I soon realised that I had gone too far. With wind instruments in particular, the different systems were innumerable, and each manufacturer favoured his own pet theory. By the addition of a certain key the maker endowed his instrument with the possibility of a new trill, and made some difficult passages more playable than on an instrument of another kind. "There was no end to such complications. In the brass, I found instruments with three,

four, and five valves, the mechanism varying according to the make. Obviously, I could not hope to cover so large a field; besides, of what value would such a treatise be to the student? Such a mass of detailed description of the various systems, their advantages and drawbacks, could not but fail to confuse the reader only too eager to learn. Naturally he would wish to know what instrument to employ, the extent of its capabilities etc., and getting no satisfactory information he would throw my massive work aside. For these reasons my interest in the book gradually waned, and finally I gave up the task."

Spellbound-Cara Lynn Shultz 2011-07-01 What's a girl to do when meeting The One means she's cursed to die a horrible death? Life hasn't been easy on sixteen-year-old Emma Conner, so a new start in New York may be just the change she needs. But the posh Upper East Side prep school she has to attend? Not so much. Friendly faces are few and far between, except for one that she's irresistibly drawn to—Brendan Salinger, the guy with the rock-star good looks and the richest kid in school, who might just be her very own white knight. But even when Brendan inexplicably turns cold, Emma can't stop staring. Ever since she laid eyes on him, strange things have been happening. Streetlamps go out wherever she walks, and Emma's been having the oddest dreams: visions of herself in past lives—visions that warn her to stay away from Brendan. Or else.

The Book of Ivy-Amy Engel 2014-11-11 Discover the New York Times bestseller that SLJ called "A fantastic plot that makes readers think about the blurred lines between right and wrong." After a brutal nuclear war, the United States was left decimated. A small group of survivors eventually banded together, but only after more conflict over which family would govern the new nation. The Westfalls lost. Fifty years later, peace and control are maintained by marrying the daughters of the losing side to the sons of the winning group in a yearly ritual. This year, it is my turn. My name is Ivy Westfall, and my mission is simple: to kill the president's son—my soon-to-be husband—and return the Westfall family to power. But Bishop Lattimer is either a very skilled actor or he's not the cruel, heartless boy my family warned me to expect. He might even be the one person in this world who truly understands me. But there is no escape from my fate. I am the only one who can restore the Westfall legacy. Because Bishop must die. And I must be the one to kill him... Now, she is using her gifts—and the investigative know-how of a man who broke her heart—to find a cabal searching for the power to control time, reality, and fate. And this is besides her work for the Vampire Council, half of whom want her dead. But for now the Council needs her alive. Someone is killing blood-whore addicted vampires, and Risa must find the guilty party. If she succeeds, she may finally convince the council to lift the execution order on her life. But before she succeeds, she must first survive...

The Choice Factory-Richard Shotton 2018-02-12 Before you can influence decisions, you need to understand what drives them. In The Choice Factory, Richard Shotton sets out to help you learn. By observing a typical day of decision-making, from trivial food choices to significant work-place moves, he investigates how our behaviour is shaped by psychological shortcuts. With a clear focus on the marketing potential of knowing what makes us tick, Shotton has drawn on evidence from academia, real-life ad campaigns and his own original research. The Choice Factory is written in an entertaining and highly-accessible format, with 25 short chapters, each addressing a cognitive bias and outlining simple ways to apply it to your own marketing challenges. Supporting his discussion, Shotton adds insights from new interviews with some of the smartest thinkers in advertising, including Rory Sutherland, Lucy Jameson and Mark Earls. From priming to the pratfall effect, charm pricing to the curse of knowledge, the science of behavioural economics has never been easier to apply to marketing. The Choice Factory is the new advertising essential.

The Revolution of Ivy-Amy Engel 2015-11-03 "Engel makes good use of her setting; the fight for survival on the cusp of winter stokes the sense of danger in a way that matches Ivy's roiling feelings, and the love story moves with the slow-growing heat that Ivy needs." —Kirkus Reviews I am still alive. Barely. My name is Ivy Westfall. I am sixteen years old and a traitor. Three months ago, I was forced to marry the president's son, Bishop Lattimer—as all daughters of the losing side of the war are sold off in marriage to the sons of the winners. But I was different. I had a mission—to kill Bishop. Instead, I fell in love with him. Now I am an outcast, left to survive the brutal savagery of the lands outside of civilization. Yet even out here, there is hope. There is life beyond the fence. But I can't outrun my past. For my actions have set off a treasonous chain of events in Westfall that will change all of our fates—especially Bishop's. And this time, it is not enough to just survive... The Book of Ivy series is best
