To take her mind off her suspicions, she opens her own unofficial investigation into the Julius family cold case. But when an axe-wielding stranger attacks her, Roe must determine whether it's her husband's secrets, the mystery of the Julius family's fates, or both, that have put her own life on the chopping block. #1 New York Times bestselling author Charlaine Harris has once again brought Southern charm and an engaging mystery in this latest Aurora Teagarden installment. Now, in Last Scene Alive, Robin is back in town, set to begin filming the movie version of the terrible events of so many years ago. Of course he's not alone-he brings with him a cast and crew the size of which nearly overwhelms the tiny excitement-starved town. Roe is disturbed to discover that the film's crew includes her stepson, who despises her, as well as an actress set to play her in the film. bloody fun' Barbara Paul Part-time librarian Aurora 'Roe' Teagarden lands smack in the middle of a baffling murder case in the fifth murder mystery from #1 New York Times and Sunday Times bestselling author Charlaine Harris Roe never liked Detective Sergeant Jack Burns, but she never wanted to see him dead - especially dropped from a plane right into her own front yard. Luckily, even Lawrenceton, Georgia's finest, know that Roe couldn't possibly be in two places at once, so her name is crossed off the suspect list. But then other strange things happen around Roe, ranging from peculiar (her irascible cat turns up wearing a pink ribbon) to violent (her assistant at the library is attacked) to potentially deadly (her ex-lover is stabbed). Clearly there is a personal message in this madness that Roe must decipher - before it is too late . . . Charlaine Harris finally returns to her fan-favorite Aurora Teagarden series with All the Little Liars, a fabulously fun new mystery and the basis for a movie from Hallmark. Aurora Teagarden is basking in the news of her pregnancy when disaster strikes her small Georgia town: four kids vanish from the school soccer field in an afternoon. Aurora's 15-year-old brother Phillip is one of them. Also gone are two of his friends, and an 11-year-old girl who was just hoping to get a ride home from soccer practice. And then there's an even worse discovery—at the kids' last known destination, a dead body. While the local police and sheriff's department comb the county for the missing kids and interview everyone even remotely involved, Aurora and

her new husband, true crime writer Robin Crusoe, begin their own investigation. Could the death and kidnappings have anything to do with a group of bullies at the middle school? Is Phillip's disappearance related to Aurora's father's gambling debts? Or is Phillip himself, new to town and an unknown quantity, responsible for taking the other children? Real Murders-Charlaine Harris 2016-08-01 Author of the books that inspired True Blood on HBO and Midnight, Texas on NBC Aurora Teagarden, small town librarian and true crime buff, is looking forward to the monthly meeting of the Real Murders Society, a group of fellow crime enthusiasts who share a unique interest in historical murders. The Society meetings are the highlight of Roe's social life in sleepy Lawrenceville, Georgia, and she's ready for a quiet night of discussion, coffee, and cookies. But after she finds the body of a Society member in a staged crime scene eerily similar to the one the group was supposed to discuss that very night, Roe finds herself at the center of a murderous story of her own. detective Arthur Smith and the town's dashing new resident, mystery novelist Robin Crusoe, it's up to Roe to discover if the murderer is one of the group's own and to piece the perplexing puzzle together before another body appears. Ultimate Punishment—Scott Turow 2010-08-24 America's leading writer about the law takes a close, incisive look at one of society's most vexing legal issues. Scott Turow is known to millions as the author of peerless novels about the troubling regions of experience where law and reality intersect. In "real life," as a respected criminal lawyer, he has been involved with the death penalty for more than a decade, including successfully representing two different men convicted in

death-penalty prosecutions. In this vivid account of how his views on the death penalty have evolved, Turow describes his own experiences with capital punishment from his days as an impassioned young prosecutor to his recent service on the Illinois commission which investigated the administration of the death penalty and influenced Governor George Ryan's unprecedented commutation of the sentences of 164 death row inmates on his last day in office. Along the way, he provides a brief history of America's ambivalent relationship with the ultimate punishment, analyzes the potent reasons for and against it, including the role of the victims' survivors, and tells the powerful stories behind the statistics, as he moves from the Governor's Mansion to Illinois' state-of-the-art 'super-max' prison and the execution chamber. Ultimate Punishment, this gripping, clear-sighted, necessary examination of the principles, the personalities, and the politics of a fundamental dilemma of our democracy has all the drama and

intellectual substance of Turow's celebrated fiction. The Great American Dust Bowl-Don Brown 2013-10-08 A speck of dust is a tiny thing. In fact, five of them could fit into the period at the end of this sentence. On a clear, warm Sunday, April 14, 1935, a wild wind whipped up

millions upon millions of these specks of dust to form a duster—a savage storm—on America's high southern plains. The sky turned black, sand-filled winds scoured the paint off houses and cars, trains derailed, and electricity coursed through the air. Sand and dirt fell like snow—people got lost in the gloom and suffocated . . . and that was just the beginning. Don Brown brings the Dirty Thirties to life with kinetic, highly saturated, and lively artwork in this graphic novel of one of America's most catastrophic natural events: the Dust Bowl.
