Grumpy Old Rock Star-Rick Wakeman 2009-08-28 Around about August 1948, Mr and Mrs Cyril Wakeman had an early night and some time later, at Perivale in Middlesex, Mrs Wakeman produced a bonny baby son. They named him Richard, but he quickly became known as Rick. Rick was a likeable little fellow who had a talent for the piano and for making trouble. Music became Rick’s life - he joined a popular music group called Yes and became a legend. Much later he became a Grumpy Old Man who appears on Countdown, hosts a hugely popular radio show on Planet Rock and performs a one-man show telling stories about his rather extraordinary life. Which is where this book you are holding comes in. Mr Wakeman is simply one of the great storytellers of our age - let’s face it, he has some fabulous material. It seemed a shame that some of the funniest yarns should not be more widely known. So he accepted some cash and here we are. The Knife Slipped-Erle Stanley Gardner 2016-12-06 Lost for more than 75 years, The Knife Slipped was meant to be the second book in the series, but shelved when Gardner’s publisher objected to (among other things) Bertha Cool’s tendency to “talk tough, swear, smoke cigarettes, and try to gyp people.” But this tale of adultery and corruption, of double-crosses and triple identities—however shocking for 1939—shines today as a glorious present from the past, a return to the heyday of private eyes and shady dames, of powerful criminals, crooked cops, blazing dialogue, and delicious plot twists. Donald Lam has never been cooler—not even when played by Frank Sinatra on the U.S. Steel Hour of Mystery in 1946. Bertha Cool has never been tougher. And Erle Stanley Gardner has never been better.

Death of a Dude-Rex Stout 2010-05-12 The mountain couldn’t come to Wolfe, so the great detective came to the mountain—to Lame Horse, Montana, to be exact. Here a city slicker got a country girl pregnant and then took a bullet in the back. Wolfe’s job was to get an innocent man exonerated of the crime and catch a killer in the process. But when he packed his silk pajamas and headed west, he found himself embroiled in a case rife with local cynicism, slipshod police work, and unpleasant political ramifications. In fact, Nero Wolfe was buffaloed until the real killer struck again, underestimating the dandified dude with an unerring instinct for detection. The man has entered our folklore.”—The New York Times Book Review A grand master of the form, Rex Stout is one of America’s greatest mystery writers, and his literary creation Nero Wolfe is one of the greatest fictional detectives of all time. Together, Stout and Wolfe have entertained—and puzzled—millions of mystery fans around the world. Now, with his perambulatory man-about-town, Archie Goodwin, the arrogant, gormandizing, sedentary sleuth is back in the original seventy-three cases of crime and detection written by the inimitable master himself, Rex Stout.
