Australia's Haunted History-Trudy Toohill 2016-05-04 Australia's Haunted History is a collection of spine-tingling, blood-curdling, frightening and often mysterious Australian paranormal tales from throughout our country's turbulent past. Many of these historical accounts of spectral hauntings and strange happenings were documented in early Australian newspapers and have been accurately transcribed in the pages of this book. These ghostly sightings will challenge even the most ardent sceptic. Many of these chilling events remain largely unexplained to this day. Murder and mayhem, mystifying mysteries, haunted houses, ghostly goldfields, shocking tragedies, pestering poltergeists, strange and bizarre happenings – they are all included. Many of the historical ghost tales in this book have been forgotten through the passing of time. Australia's Haunted History will bring these creepy tales back to life and spark the imagination of a new generation to ask that poignant question, are ghosts real? Old favourites have not been overlooked and several tales of well-known Australian ghosts are included. If you love a good ghost story, Australia's Haunted History will keep you entertained for hours. But be careful, after reading this book you may need to sleep with the light on!

This is the intriguing insight into the world of a Sydney psychic healer. Caterina Ligato first communicated with spirits at the age of three and has since come to accept her gift for dealing with the supernatural and to use her talent to help people in need. Her stories of exorcism, healing sessions and spiritual communication have spread through word-of-mouth, lectures and workshops so that she now receives requests for help from around the world. Digging to Australia-Lesley Glaister 2014-12-30 An English girl takes a "tumble into a warped wonderland" when her Lewis Carroll-inspired journey unearths unexpected secrets, desires, and dangers (Los Angeles Times). Trapped in suburban England, appalled by her parents, and desperately shy, twelve-year-old Jennifer Maybee is facing the terrors of adolescence alone. After reading Alice in Wonderland, she digs a hole in her backyard hoping to find what her mother calls the "topsy-turvy world of Australia." Instead, led by a stray cat, Jennifer follows a secret pathway of a different sort. On the other side of a tangle of bramble, Jennifer claims her own Wonderland: an empty playground, a deserted church, and an unattended graveyard. But Jennifer isn't alone. She meets something close to a friend in Bronwyn, a girl burdened by family tragedy. However, it's in a squatter named Johnny that Jennifer's fantasies for a new life begin to bloom. He's too charming, and too unaccountably sexy for Jennifer to listen to those nasty rumors that he might be responsible for the disappearances of other lonely girls. All Jennifer can do now is marvel at the mysteries to come. From the Somerset Maugham Award-winning author, "dangerous secrets and sinister undertones power this uncommon coming-of-age tale" (Publishers Weekly). Jennifer Maybee, the protagonist of this "enormously enjoyable" novel of innocence lost, returns in Leslie Glaister's Partial Eclipse (Nick Hornby). "Perverting Wonderland into a place to smoke cigarettes and pry into other people's secrets . . . this Alice is a match for any dark thing she encounters." —Los Angeles Times "Before Gillian Flynn, there was Lesley Glaister." —Harper's Bazaar

My Australian Prince-Elmie Yan 2007-11-19 My Australian Prince sets itself mainly in Western Australia's ruggedly beautiful and antique Kalgoorlie-Boulder, the enchanting Archipelago of the Recherche on the Southern Ocean, and the delicate splendour of Paris outskirts of antiquity. Alain James Goldenbough, endowed with magnetic handsomeness and intelligence, is born in 1960 into Western Australia's richest family. Their wealth emanates from the 1893 Gold Rush of the famed mining twin-towns of Kalgoorlie-Boulder. His famous colourful posy since the age of ten is the symbol of his high regard for women... and the New Mothers Paradise his brainchild. For his only love Elizabeth Sinclair, he reserves the red rose-posy and he leads them both to a vow of virginity. Together with Elizabeth, he is to face his two legacies - the only-child Goldenbough Australian ancestry and his maternal Montagne French heritage. Elizabeth must help him, but it seems that his heart that softens to women's needs will not know the mysteries beneath Elizabeth's crescent smile and lake-look aquamarine eyes. He will not know either the versatile schemes of his two rivaling grandfathers - Pop Sir William Goldenbough of Australia and Papy Vincent Montagne of France - nor the mysterious family in France that aims to destroy him. His two legacies will pound and crumble him to his limits, bringing him out to the extraordinary, away from the typical Australian laid-back personality. Spanned across three-and-a-half decades from 1960 to 1995, Alain's inimitable story will entertain and stir you, touch your emotions, and test your mentality.
