Autant en emporte le vent-Margaret Mitchell 1976 Le roman et le film les plus populaires de tous les temps. Plus de dix millions d'exemplaires vendus dans le monde. Traduit dans 18 langues. Autant en emporte le vent est une fresque historique, jamais surpassée, sur la société des Etats sudistes et les tragédies de la guerre de Sécession. C'est aussi un roman d'amour dont les héros, Scarlett O'Hara et Rhett Butler, sont entrés à jamais dans la galerie des amants légendaires. The U.S. South and Europe-Cornelis A. van Minnen 2013-11-05 The U.S. South is a distinctive political and cultural force -- not only in the eyes of Americans, but also in the estimation of many Europeans. The region played a distinctive role as a major agricultural center and the source of much of the wealth in early America, but it has also served as a catalyst for the nation's only civil war, and later, as a battleground in violent civil rights conflicts. Once considered isolated and benighted by the international community, the South has recently evoked considerable interest among popular audiences and academic observers on both sides of the Atlantic. In The U.S. South and Europe, editors Cornelis A. van Minnen and Manfred Berg have assembled contributions that interpret a number of political, cultural, and religious aspects of the transatlantic relationship during the nineteenth and twentieth centuries. The contributors discuss a variety of subjects, including European colonization, travel accounts of southerners visiting Europe, and the experiences of German immigrants who settled in the South. The collection also examines slavery, foreign recognition of the Confederacy as a sovereign government, the lynching of African Americans and Italian immigrants, and transatlantic religious fundamentalism. Finally, it addresses international perceptions of the Jim Crow South and the civil rights movement as a framework for understanding race relations in the United Kingdom after World War II. Featuring contributions from leading scholars based in the United States and Europe, this illuminating volume explores the South from an international perspective and offers a new context from which to consider the region's history.

Principles of Copyright Law - Cases and Materials-D. Vaver 2002 This publication aims to provide a valuable and practical tool for those countries where court decisions in the copyright domain are scarce or non-existent - either because copyright law is a fairly new phenomenon or because legislation has not been extensively applied. To that effect,this publication examines a carefully selected number of court decisions illustrating general principles of copyright law, drawn from common law, civil law and the legislative systems of Arab countries. As the basic principles illustrated here are to a large extent commonly shared, many of the cases presented have a wider relevance, going beyond the confines of the legal system of which they form a part. L'objet du présent recueil est d'offrir un outil précieux et commode aux pays dont la jurisprudence en matière de droit d'auteur est restreinte ou inexistante, soit parce que le droit d'auteur est une réalité relativement nouvelle pour eux, soit parce que la législation en vigueur dans ce domaine n'a pas été largement appliquée. À cette fin, le présent ouvrage expose un certain nombre de décisions de justice, soigneusement sélectionnées, qui illustrent les principes généraux du droit d'auteur et qui émanent de la common law, du droit civil et des systèmes législatifs des pays arabes. Compte tenu de la valeur quasi universelle de ces principes fondamentaux, la pertinence des cas présentés va bien souvent au-delà des limites du système juridique dont ils relèvent.

Fresque historique inégalée sur les tragédies de la guerre de Sécession, Autant en emporte le vent est aussi un roman d’amour dont les héros, Scarlett O’Hara et Rhett Butler, sont entrés dans la galerie des amants légendaires. Autant en emporte le vent (vol.1)-Margaret Mitchell 2020-06-11T00:00:00+02:00 1861, Géorgie. Scarlett O’Hara a seize ans. Elle a devant elle l’avenir radieux d’une riche héritière de Tara, une importante plantation de coton. Mais la guerre civile est sur le point de plonger dans le chaos le pays tout entier, et Scarlett a le cœur brisé : Ashley Wilkes vient d’en épouser une autre. Pour fuir son chagrin, elle va s’installer à Atlanta, impatiente de goûter à l’énergie d’une grande ville. Là, un certain Rhett Butler, à la réputation douteuse de contrebandier, commence à s’intéresser à Scarlett et son caractère rebelle. Un duel de séduction s’engage alors, et ils vivront ensemble les pires heures du siège d’Atlanta.

Autant en emporte le vent (vol.2)-Margaret Mitchell 2020-06-11T00:00:00+02:00 1866. De retour à Tara, ravagée par la guerre, Scarlett O’Hara n’a que peu de moyens pour subvenir aux besoins de ses proches, y compris Ashley dont elle reste secrètement amoureuse. Acculée, elle retourne à Atlanta où elle recroise Rhett Butler, toujours persuadé qu’ils sont faits l’un pour l’autre. La laissera-t-il lui échapper cette fois ? Comment regarder de l’avant quand la vie n’est que décombres ? Et que peut la morale d’autrefois face à l’argent d’aujourd’hui ? Scarlett devra faire des choix, et chacun de ses pas, aussi risqué soit-il, la mènera vers l’indépendance.

Selected Writings-Marguerite de Navarre 2008-11-15 Marguerite de Navarre (1492–1549) was the sister and wife to kings and a pivotal influence in sixteenth-century France. An astute politician and diligent humanist, she was a champion of gender equality and the evangelical reform movement, which recognized that the clergy was more concerned with maintaining the church’s power than ministering to the faithful. As the years passed and the glitter of life at court waned, however, Marguerite came to realize her true vocation: writing. Selected Writings brings together a representative sampling of Marguerite’s varied writings, most of it never before translated into English, enabling Anglophone readers to enjoy the full breadth of her work for the first time. From verse letters and fables to mythological-pastoral tales, from spiritual songs to a selection of novellas from the Heptameron, the wide range of works included here will reveal Marguerite de Navarre to be one of the most important writers—male or female—of sixteenth-century France.
