Autel California Face A : Treat me nice-Nine Antico 2016-09-23 Cinq ans après Coney Island Baby, Nine Antico nous replonge dans la culture américaine des années 50-70 et de ses égéries éphémères: Autel California ou le phénomène des groupies à l'heure de l'apparition du mythe moderne de la star. Dans ce premier tome, Bouclette, adolescente qui idolâtre les Beatles et Elvis Presley, va de fil en aiguille rencontrer puis côtoyer les stars qu'elle adule pour devenir l'une des groupies les plus connues. Personnage très inspiré de la plus célèbre d'entre elles, Pamela des Barres, on assiste aux premiers pas d'une jeune fille encore naïve qui va bientôt réchauffer sa destinée sous les feux ardents de la célébrité des rocks stars. Dans les coulisses des groupes mythiques où naissent les destins satellites et les notoriétés-éclair, on croise Phil Spector, Keith Richards, Mick Jagger ou encore Jim Morrison en demi-dieux, qui laissent des petites miettes de gloire aux jolies témoins du rock. Nine Antico insuffle de la grâce au désenchantement et les héroïnes sont aussi des victimes sulfureuses. Treat Me Nice. En fond sonore, la chanson d'Elvis Presley résonne et donne son nom à ce premier tome, très documenté.

Absorption and Theatricality-Michael Fried 1988-09-15 With this widely acclaimed work, Fried revised the way in which eighteenth-century French painting and criticism were viewed and understood. "A reinterpretation supported by immense learning and by a series of brilliantly perceptive readings of paintings and criticism alike. . . . An exhilarating book."—John Barrell, London Review of Books Sports Pages of the Los Angeles Times-Bill Shirley 1983 Newspaper selections describe the major events in baseball, football, boxing, tennis, automobile racing, and other sports from 1883 to 1883

Salvator Rosa in French Literature-James Patty 2005-01-31 " Salvator Rosa (1615–1673) was a colorful and controversial Italian painter, talented musician, a notable comic actor, a prolific correspondent, and a successful satirist and poet. His paintings, especially his rugged landscapes and their evocation of the sublime, appealed to Romantic writers, and his work was highly influential on several generations of European writers. James S. Patty analyzes Rosa's tremendous influence on French writers, chiefly those of the nineteenth century, such as Stendhal, Honoré de Balzac, Victor Hugo, George Sand, and Théophile Gautier. Arranged in chronological order, with numerous quotations from French fiction, poetry, drama, art criticism, art history, literary history, and reference works, Salvator Rosa in French Literature forms a narrative account of the reception of Rosa's life and work in the world of French letters. James S. Patty, professor emeritus of French at Vanderbilt University, is the author of Dürer in French Letters . He lives in Nashville, Tennessee.

Oeuvres complètes-Vilfredo Pareto Comme Marx et Freud, Pareto, bien que partant de points différents et ne visant aucun but concret, nous a montré un processus d'exploration de l'inconscient collectif. Il est indubitable qu'il l'a fait sans aucun respect de la raison, avec passion et violence polémique. Le fait que, comme le dit R. Aron, "il pense simultanément contre les barbares et contre les civilisés, contre les despotes et contre les démocrates naïfs, contre les philosophes qui prétendent trouver la vérité

dernière des choses et contre les savants qui s'imaginent que seule la science a du prix", signifie-t-il vraiment que Pareto a voulu construire "la science contre la raison"? On peut en douter, si l'on croit que le fait d'indiquer les contingences, de montrer les contradictions, de mettre en évidence les irrationalités est déjà en soi une manière de les surmonter et donc de les vaincre. La critique de la raison ne démontre pas que Pareto la déprécie; au contraire, elle montre que la raison est intégrée dans une vision dans laquelle trouvent place, sans être soumis à un examen qualitatif et hiérarchisant, tous les éléments qui constituent concrètement l'action de l'homme. Pareto qui nous montre, par son langage apocalyptique, que la vie est un enfer, que la cruauté est éternelle, que nous sommes les victimes de nos propres illusions et de nos propres mythes, Pareto qui nous pousse à voir comment les conflits et les équivoques sont ou peuvent être, ne nous aide-t-il pas à vivre en hommes sans préjugés, responsables et courageux, insensibles à la rhétorique, aux utopies et aux mythes, à être jaloux et orgueilleux de notre liberté?

The Works of Hubert Howe Bancroft: Literary industries. 1890-Hubert Howe Bancroft 1890 Histoire de Lorraine... depuis l'entrée de Jules César dans les Gaules, jusqu'à la cession de la Lorraine, arrivée en 1737, inclusivement, avec les pièces justificatives...-Augustin Calmet 1745 I Never Liked You-Chester Brown 2002-02-01 In one of the best graphic novels published in recent years, Chester Brown tells the story of his alienated youth in an almost detached, understated manner, giving I Never Liked You an eerie, dream-like quality. For the new 2002 definitive softcover edition Brown has designed new layouts for the entire book, using "white" panel backgrounds instead of the black pages of the first edition.

Ancient Marbles in Naples in the Eighteenth Century-Eloisa Doderò 2019-09-16 In Ancient Marbles in Naples in the Eighteenth Century Eloisa Doderò aims at documenting the history of numerous private collections formed in Naples during the 18th century, with particular concern for the "Neapolitan marbles" and the circumstances of their dispersal.

Glimpses-Lewis Shiner 2001-03-12 While trying

to cope with the recent loss of his father and the emptiness of his marriage, Ray Shackleford "recreates" wonderful rock-and-roll recording sessions that never happened on his tape deck. Reprint. 10,000 first printing.

One Model Nation-Courtney Taylor-Taylor 2015-03-30 In 1977, four young men were the voice of their generation. In 1978, they disappeared. This is the epic journey of art noise band One Model Nation, the final dark days of the Baader-Meinoff Gang, and the band's mysterious disappearance only months later. This original graphic novel comes from the mind of Dandy Warhols frontman Courtney Taylor-Taylor, with art by indie super star Jim Rugg, and features a host of bonus extras; sketches, director's commentary, deleted scenes and more! The Juggler of Notre Dame and the Medievalizing of Modernity-Jan M. Ziolkowski 2018-10-31 This ambitious and vivid study in six volumes explores the journey of a single, electrifying story, from its first incarnation in a medieval French poem through its prolific rebirth in the nineteenth and twentieth centuries. The Juggler of Notre Dame tells how an entertainer abandons the world to join a monastery, but is suspected of blasphemy after dancing his devotion before a statue of the Madonna in the crypt; he is saved when the statue, delighted by his skill, miraculously comes to life. Jan Ziolkowski tracks the poem from its medieval roots to its rediscovery in late nineteenth-century Paris, before its translation into English in Britain and the United States. The visual influence of the tale on Gothic revivalism and vice versa in America is carefully documented with lavish and inventive illustrations, and Ziolkowski concludes with an examination of the explosion of interest in The Juggler of Notre Dame in the twentieth century and its place in mass culture today. In this volume Jan Ziolkowski follows the juggler of Notre Dame as he cavorts through new media, including radio, television, and film, becoming closely associated with Christmas and embedded in children's literature. Presented with great clarity and simplicity, Ziolkowski's work is accessible to the general reader, while its many new discoveries will be valuable to academics in such fields and disciplines as medieval studies, medievalism, philology, literary history, art history, folklore, performance studies, and reception studies.

Men at Sea-Riff Reb's 2019-04-15 "Men at Sea is an opus of eight spectacularly drawn dark, poetic stories adapted by Riff Reb's. This collection offers: "A Smile of Fortune," from Joseph Conrad

"The Sea Horses" and "The Shamraken Homeward Bound," from William Hope Hodgson "The Galley Slaves" and "The Far South," from Pierre Mac Orlan "A Descent into the Maelstrom," from Edgar Allan Poe "The Three Customs Officers," from Marcel Schwob "The Shipwreck," from Robert Louis Stevenson These eight tales, themselves interspersed by seven double-page spreads dedicated to extracts from illustrated classics, deliver a rich, poetic, and masterfully crafted work of life and death on the sea. "

Jews in Early Christian Law-John Victor Tolan 2014 What is the place of Jews in medieval Christian societies? in the nineteenth and early twentieth centuries, this question was largely confined to Jewish scholars, and the academic debates where inseparable from the upheavals of the lives of contemporary European Jews.

Buddy Buys a Dump-Peter Bagge 2014-05-21 Buddy Bradley's back! Now in his 30s and married with child, onetime slacker hero Buddy Bradley gets a "real" job, shaves his head, dons an eyepatch, quits his "real" job and buys the local dump - because what better place to raise a toddler? Peter Bagge's iconic character is to alternative comics what Homer Simpson has been to television animation over the past quarter-century: a generation-defining slacker and the greatest comedic character of its form and era. Featuring stories originally published in the comic book series Hate Annual from 2000-2011, as well as an all-new 20-page conclusion to the story arc.

Guernsey Folk Lore-Sir Edgar MacCulloch 1903 Festivals and the French Revolution-Mona Ozouf 1991 Festivals and the French Revolution--the subject conjures up visions of goddesses of Liberty, strange celebrations of Reason, and the oddly pretentious cult of the Supreme Being. Every history of the period includes some mention of festivals; Ozouf shows us that they were much more than bizarre marginalia to the revolutionary process.

Rendez-Vous in Phoenix-Tony Sandoval 2016-11-15 Tony Sandoval was born and raised in northwestern Mexico, where the temptation to cross the border in the US becomes a matter of the heart. Drawn by Love, his urge to visit his American girlfriend can't wait for the lengthy, frustrating visa process standing in the way of their relationship. So he makes the ultimate romantic gesture: smuggling himself across the border, despite the dangers he'll face from the heat, coyotes, barbed wire, and - most daunting - the US border patrol... An autobiographical

account by the three-time Eisner-nominated writer/artist, an honest, true story about the hot-topic immigration issue in the news today. Palomar-Gilbert Hernandez 2003 Collects stories featuring the inhabitants of a mythical South American town called Palomar and the interconnected lives of its unusual inhabitants. The Juggler of Notre Dame and the Medievalizing of Modernity.-Jan M. Ziolkowski 2018-07-24 This ambitious and vivid study in six volumes explores the journey of a single, electrifying story, from its first incarnation in a medieval French poem through its prolific rebirth in the nineteenth and twentieth centuries. The Juggler of Notre Dame tells how an entertainer abandons the world to join a monastery, but is suspected of blasphemy after dancing his devotion before a statue of the Madonna in the crypt; he is saved when the statue, delighted by his skill, miraculously comes to life. Jan Ziolkowski tracks the poem from its medieval roots to its rediscovery in late nineteenth-century Paris, before its translation into English in Britain and the United States. The visual influence of the tale on Gothic revivalism and vice versa in America is carefully documented with lavish and inventive illustrations, and Ziolkowski concludes with an examination of the explosion of interest in The Juggler of Notre Dame in the twentieth century and its place in mass culture today. Volume 2: Medieval Meets Medievalism deals with the influence of the tale in nineteenth- and early-twentieth-century Europe and America, and the development of literary medievalism at this time. The Juggler of Notre Dame and the Medievalizing of Modernity is a rich case study for the reception of the Middle Ages in modernity. Spanning centuries and continents, the medieval period is understood through the lens of its (post)modern reception in Europe and America. Profound connections between the verbal and the visual are illustrated by a rich trove of images, including book illustrations, stained glass, postage stamps, architecture, and Christmas cards. Presented with great clarity and simplicity, Ziolkowski's work is accessible to the general reader, while its many new discoveries will be valuable to academics in such fields and disciplines as medieval studies, medievalism, philology, literary history, art history, folklore, performance studies, and reception studies. The Emblem-John Manning 2004-04-04 John Manning's The Emblem charts the rise and evolution of the emblem from its earliest manifestations to its emergence as a genre in its own right in the sixteenth century, and through

its various reinventions to the present day. The Order of Minims in Seventeenth-Century France-P.J.S. Whitmore 2012-12-06 Thinking of the text from the Dies frae (S. Matthew, XXV, 40). It is also probable that this other Saint Francis, partly out of admiration for his illustrious compatriot of Assisi and partly from a compelling urge to be superlative in all things, chose the title in opposition to the Franciscans, the Fratres Minori, 1 who had previously adopted this style taken from Saint Matthew, XXIII, 8. The title "Minim" was confirmed in these words" ... eosque Eremitos Ordinis Minimorum Fratrum Eremitarum F. Francesci de Paula in posterum nuncupari," taken from the Papal Bull, Meritis religiosae vitae, of 26 February, 1493. The earliest reference to the Order in France is in a fragment preserved in the Bibliotheque de l' Arsenal called, La regle et vie de Frere Franfois, pauvre et humble hermite de Paule, laquelle donne a tous ses 2 freres voulant entrer et vivre en son ordre. The dating of this manuscript should be accepted with considerable reserve; it bears a clearly legible "1474," although it seems most unlikely that any reference to an Order occurred before the Bull of 1493 or that any Rule appeared in French before the Founder's visit to Louis XI in 1483. 3 The fame of Francis and his reputation as a "guerisseur" had reached the French court where Louis XI was sick and dying; the King summoned him to the chateau of Le Plessis-Ies-Tours, but it required the intervention of the Pope to make the hermit undertake the journey.

The Antinomies Of Realism-Fredric Jameson 2013-10-08 The Antinomies of Realism is a history of the nineteenth-century realist novel and its legacy told without a glimmer of nostalgia for artistic achievements that the movement of history makes it impossible to recreate. The works of Zola, Tolstoy, Pérez Galdós, and George Eliot are in the most profound sense inimitable, yet continue to dominate the novel form to this day. Novels to emerge since struggle to reconcile the social conditions of their own creation with the history of this mode of writing: the so-called modernist novel is one attempted solution to this conflict, as is the ever-more impoverished variety of commercial narratives - what today's book reviewers dub "serious novels," which are an attempt at the impossible endeavor to roll back the past. Fredric Jameson examines the most influential theories of artistic and literary realism, approaching the subject himself in terms of the social and historical preconditions for realism's emergence. The realist novel combined

an attention to the body and its states of feeling with a focus on the quest for individual realization within the confines of history. In contemporary writing, other forms of representation - for which the term "postmodern" is too glib - have become visible: for example, in the historical fiction of Hilary Mantel or the stylistic plurality of David Mitchell's novels. Contemporary fiction is shown to be conducting startling experiments in the representation of new realities of a global social totality, modern technological warfare, and historical developments that, although they saturate every corner of our lives, only become apparent on rare occasions and by way of the strangest formal and artistic devices. In a coda, Jameson explains how "realistic" narratives survived the end of classical realism. In effect, he provides an argument for the serious study of popular fiction and mass culture that transcends lazy journalism and the easy platitudes of recent cultural studies.

The Land of Lines-Victor Hussenot 2015-06-02 In the land of lines, anything is possible: the connection between a boy and a girl from different worlds, the potential for self-discovery, and the vanquishing of a monster. While exploring mysterious terrain, the characters cascade down geometric cliffs and mountains, navigating the unknown and finding their potential. Readers will immerse themselves in this engaging wordless graphic novel that captures the timeless heroic journey and celebrates the power of art.

The Roll in England and France in the Late Middle Ages-Stefan G. Holz 2019-12-16 In the Middle Ages, rolls were ubiquitous as a writing support. While scholars have long examined the texts and images on rolls, they have rarely taken the manuscripts themselves into account. This volume readdresses this imbalance by focusing on the materiality and various usages of rolls in late medieval England and France. Researchers from England, France, Germany and Singapore

demonstrate in 11 contributions how this approach can increase our understanding of the rolls and their contents, as well as the contexts in which they were produced and used.

Brutal Intimacy-Tim Palmer 2011-03-01 Brutal Intimacy is the first book to explore the fascinating films of contemporary France, ranging from mainstream genre spectaculars to arthouse experiments, and from wildly popular hits to films that deliberately alienate the viewer. Twenty-first-century France is a major source of international cinema—diverse and dynamic, embattled yet prosperous—a national cinema offering something for everyone. Tim Palmer investigates France's growing population of women filmmakers, its buoyant vanguard of first-time filmmakers, the rise of the controversial cinema du corps, and France's cinema icons: auteurs like Olivier Assayas, Claire Denis, Bruno Dumont, Gaspar Noé, and stars such as Vincent Cassel and Jean Dujardin. Analyzing dozens of breakthrough films, Brutal Intimacy situates infamous titles alongside many yet to be studied in the English language. Drawing on interviews and the testimony of leading film artists, Brutal Intimacy promises to be an influential treatment of French cinema today, its evolving rivalry with Hollywood, and its ambitious pursuits of audiences in Europe, North America, and around the world.

The Common Sense of Teaching Foreign Languages-Caleb Gattegno 1976 Gattegno wrote this book as a scientist interested in learning processes, as a student interested in the mastery of foreign languages, and as a teacher interested in providing his students with ideal learning conditions. These perspectives combined with years of research, travel, and fieldwork create a full insight into the problem of learning a foreign language. He argues that learning a language should not be about recitation and memorization, but about the natural learning processes we have used since birth. "In fact," he writes, "We can no more say that we remember our language than that we remember how to stand up or walk." Dictionary of Foreign Quotations-Robert Collison 1980-06-18

The Calendar in Revolutionary France-Sanja Perovic 2012-08-27 One of the most unusual decisions of the leaders of the French Revolution - and one that had immense practical as well as symbolic impact - was to abandon customarily-accepted ways of calculating date and time to create a Revolutionary calendar. The experiment lasted from 1793 to 1805, and prompted all sorts of questions about the nature of time, ways of

measuring it and its relationship to individual, community, communication and creative life. This study traces the course of the Revolutionary Calendar, from its cultural origins to its decline and fall. Tracing the parallel stories of the calendar and the literary genius of its creator, Sylvain Maréchal, from the Enlightenment to the Napoleonic era, Sanja Perovic reconsiders the status of the French Revolution as the purported 'origin' of modernity, the modern experience of time, and the relationship between the imagination and political action.

Gods and Goddesses in Ancient Italy-Edward Bispham 2019-12-06 This collection explores the multifaceted nature of the gods and goddesses worshipped in ancient Italy. It examines Italic, Etruscan, and Latin deities in context and in the material remains, and also in the Greco-Roman written record and later scholarship which drew on these texts. Many deities were worshipped in ancient Italy by different individuals and communities, using different languages, at different sanctuaries, and for very different reasons. This multiplicity creates challenges for modern historians of antiquity at different levels. How do we cope with it? Can we reduce it to the conceptual unity necessary to provide a meaningful historical interpretation? To what extent can deities named in different languages be considered the equivalent of one another (e.g. Artemis and Diana)? How can we interpret the visual representations of deities that are not accompanied by written text? Can we reconstruct what these deities meant to their local worshippers although the overwhelming majority of our sources were written by Romans and Greeks? The contributors of this book, a group of ten scholars from the UK, Italy, France, and Poland, offer different perspectives on these problems, each concentrating on a particular god or goddess. Gods and Goddesses in Ancient Italy offers an invaluable resource for anyone working on ancient Roman and Italian religion.

Panther-Brecht Evens 2016-04-26 "Evens is the finest ambassador for Belgian illustration since Hergé." --The Guardian Brecht Evens, the award-winning author of *The Wrong Place* and *The Making Of*, returns with an unsettling graphic novel about a little girl and her imaginary feline companion. Iconoclastic in his cartooning and page layouts, subtle in his plotting, and deft in his capturing of the human experience, Evens has crafted a tangled, dark masterwork. Christine lives in a big house with her father and her cat, Lucy. When Lucy gets sick and dies, Christine is devastated. But alone in her room,

something special happens: a panther pops out of her dresser drawer and begins to tell her stories of distant Pantherland, where he is the crown prince. A shape-shifter who tells Christine anything she wants to hear, Panther begins taking over Christine's life, alienating her from her other toys and friends. As Christine's world spirals out of control, so does the world Panther has created for her. Panther is a chilling voyage into the shadowy corners of the human psyche. The Drawn & Quarterly edition of Panther is an extended "director's cut," featuring additional material not included in the original book.

The Antiquarians of the Nation-Francesca Zantedeschi 2019-01-10 In The Antiquarians of the Nation, Francesca Zantedeschi explores how the works of Roussillon's nineteenth-century archaeologists and philologists, who retrieved and enhanced the Catalan specificities of the region, contributed to the early stages of a 'national' (Catalan) cultural revival.

Reference Guide to Christian Missionary Societies in China: From the Sixteenth to the Twentieth Century-R. G. Tiedemann 2016-07-01 This comprehensive guide will facilitate scholarly research concerning the history of Christianity in China as well as the wider Sino-Western cultural encounter. It will assist scholars in their search for material on the anthropological, educational, medical, scientific, social, political, and religious dimensions of the missionary presence in China prior to 1950. The guide contains nearly five hundred entries identifying both Roman Catholic and Protestant missionary sending agencies and related religious congregations. Each entry

includes the organization's name in English, followed by its Chinese name, country of origin, and denominational affiliation. Special attention has been paid to identifying the many small, lesser-known groups that arrived in China during the early decades of the twentieth century. In addition, a special category of the as yet little-studied indigenous communities of Chinese women has also been included. Multiple indexes enhance the guide's accessibility.

The Return of Scepticism-Gianni Paganini 2013-03-14 This collection of articles (the Vercelli conference proceedings) places the theme of scepticism within its philosophical tradition. It explores the English philosophical thinkers, the French context, as well as major Italian figures and Spanish culture. It pays special attention to the relationships between history of philosophical ideas and the problems rising from the history of sciences (medicine, physics, linguistics, historical scholarship) in the 17th and the 18th centuries.

School Spirits-Anya Davidson 2013 \* 'School Spirits' is artist and musician Anya Davidson's debut book. Described by the artist as 'like Beavis and Butthead meets James Joyce's Ulysses', it is the story of Oola, a high school student with an unusual connection to the supernatural. Comprised of four chapters, each deploying a different narrative technique, 'School Spirits' is at once funny, sexy, mystical and, above all, utterly clear. David's crisp cartooning style makes even the strangest occurrences seem utterly plausible.
