S'enrichir simplement avec les rois du dividende : découvrez les Dividend King !-MARIN Ludovic 2020-07-18 Les« rois du dividende » (ou Dividend King en anglais) sont des entreprises qui ont reçu ce surnom car elles sont extraordinaires ! En effet, elles augmentent tous les ans leur dividende, depuis plus de 50 années, quel que soit le contexte (crises économiques, guerres, catastrophes technologiques ou naturelles...). Seules des sociétés avec des business model exceptionnellement robustes sont capables de verser des paiements en augmentation constante sur une période de temps aussi longue. Elles constituent le meilleur investissement qu'un particulier puisse réaliser sur le long terme car elles lui fournissent à la fois des revenus passifs croissants, via le versement d'un dividende en augmentation constante et, par leur cours de bourse qui ne cesse de grimper au fil des années. Si vous êtes un investisseur à la recherche d'une performance financière supérieure à la moyenne, ne passez pas à côté des Dividend King ! Cet ouvrage vous propose de découvrir ces compagnies, de comprendre leur business, ou encore d'évaluer le meilleur moment pour les acheter. Vous découvrirez une méthode simple et aisément reproductible permettant de vous constituer un portefeuille boursier diversifié et versant des revenus passifs augmentant année après année sans rien faire ! \* \* \* Ludovic MARIN est un chercheur, un investisseur et un entrepreneur français (business en ligne, auteur auto-édité...). Docteur en histoire des relations internationales, il est un spécialiste de l'Amérique du Nord. Il a vécu aux États-Unis et au Canada. The Ultimate Sales Machine-Chet Holmes 2007-06-21 Chet Holmes has been called "one of the top 20 change experts in the country." He helps his clients blow away both the competition and their own expectations. And his advice starts with one simple concept: focus! Instead of trying to master four thousand strategies to improve your business, zero in on the few essential skill areas that make the big difference. Too many managers jump at every new trend, but don't stick with any of them. Instead, says Holmes, focus on twelve critical areas of improvement—one at a time—and practice them over and over with pigheaded discipline. The Ultimate Sales Machine shows you how to tune up and soup up virtually every part of your business by spending just an hour per week on each impact area you want to improve. Like a tennis player who hits nothing but backhands for a few hours a week to perfect his game, you can systematically improve each key area. Holmes offers proven strategies for: Management: Teach your people how to work smarter, not harder Marketing: Get more bang from your Web site, advertising, trade shows, and public relations Sales: Perfect every sales interaction by working on sales, not just in sales The Ultimate Sales Machine will put you and your company on a path to success and help you

stay there!

Paris as Revolution-Priscilla Parkhurst Ferguson 1997-01-01 "In this absolutely powerful and innovative book, Priscilla Parkhurst Ferguson illuminates the complex links between the Revolution of 1789, the different revolutions that took place in 19th-century Paris, and two aesthetic forms characteristic of the cultural discourses of modernity: panoramic journalism and the realist and historical novels authored by Balzac, Flaubert, Hugo, Zola, and Valles. A work of cultural history with stimulating implications, Paris as Revolution is well-structured, carefully argued and problematized, and compelling in its scholarship."--Catherine Nesci, author of La Femme mode d'emploi "A fascinating and richly suggestive essay on the cultural geography of nineteenth-century Paris. It is imaginatively conceived, broad in its reach, boldly interdisciplinary. Ferguson's success in combining literary criticism, historical interpretation and sociological analysis to reconstruct the shifting meanings given to the experiences of urbanization and revolution is most impressive."--Jonathan Beecher, author of Charles Fourier: The Visionary and His World
