The Cornish in the Caribbean-Sue Appleby 2019-01-29 The first book to look specifically at the movement of Cornish men and women to and from the Caribbean from the early days of colonialism. A meticulously researched and very readable book. A fascinating subject for those with an interest in all things Cornish, be they in Cornwall, in the Caribbean, or in the wider Cornish diaspora.

Butler's Book: Autobiography and Personal Reminiscences of Major-General Benjamin Butler-Benjamin Butler 2014-11-16 Benjamin Franklin Butler

(1818- 1893) served in prominent positions throughout the course of his life, from being a Major-General in the Civil War to a Congressman and Governor of Massachusetts. However, he is best known today for his time spent governing New Orleans, which helped earn him the moniker "Beast". While Butler administered New Orleans in a strict manner, which kept it orderly during its occupation, the South despised him. Butler became notorious for several acts, including seizing a massive amount of money that had been deposited in the Dutch consul's office. But it was General Order No. 28, which said any woman in town who insulted a member of the army would be treated like "a woman of the town plying her avocation". In other words, she'd be treated as a prostitute. The order earned widespread condemnation across the nation, and even abroad in England. Butler was so brutal that Confederate president Jefferson Davis personally ordered that Beast Butler should be executed if he was captured. But he never was. Instead, he was recalled east and served in commands for the duration of the war, before going on to a distinguished political career. Butler covered all of it in his autobiography, speaking frankly about his Civil War record and how he perceived his treatment and reputation, while covering his post war career in only a few chapters.

Encyclopedia of Exploration, 1800 to 1850-Raymond John Howgego 2004 In 732 major articles, Raymond Howgego's Encyclopedia of Exploration 1800 to 1850 attempts to detail every significant traveller, voyager or expedition that set out during the period. Its indexes provide the names of over 3000 travellers and 1000 ships, while the bibliographies cite more than 10,000 works of reference. Extensive biographical information is included for the travellers themselves, placing every expedition thoroughly in its historical context. The text is fully cross-referenced between articles, whilst every article is supplemented by a comprehensive bibliography of both primary and secondary sources.

Fitzgerald: My Lost City-F. Scott Fitzgerald 2005-09-08 "This volume of the Cambridge Fitzgerald Edition includes the original nine stories selected by Fitzgerald for All the Sad Young Men, together with eleven additional stories, published between 1925 and 1928, which were not collected by Fitzgerald during his lifetime." "This edition of All the Sad Young Men is the first of the short-fiction collections in the Cambridge edition to be based on extensive surviving manuscripts and typescripts. The volume contains a scholarly introduction, historical notes, a textual apparatus, illustrations, and appendixes."--BOOK JACKET.
