The Basque Dragon-Adam Gidwitz 2019-08-06 The Unicorn Rescue Society is back! Across the vast, blue ocean, in the mountains of the Basque Country, a fearsome creature has gone missing. And the Unicorn Rescue Society are the only ones who can save it. Elliot and Uchenna--and Jersey!--have barely recovered from their first adventure with Professor Fauna when he approaches them with an all-new quest. Except this time they're going to have to cross an ocean. In the mountains of the Basque Country, the Unicorn Rescue Society must track down a missing dragon. But how could someone even kidnap a dragon? And for what evil purpose? And is their newest, fire-breathing rescue more than they can handle? New challenges await in this second book in the Unicorn Rescue Society series, a brand-new fantasy-adventure from Adam Gidwitz, the beloved bestselling and Newbery Honor-winning author of The Inquisitors Tale and A Tale Dark & Grimm. Illustrated throughout, it's the perfect fit for newly independent readers looking for a story full of adventure, fun, and friendship.

The Boba Book-Andrew Chau 2020 A beautifully photographed and designed cookbook and guide to the cultural phenomenon that is boba, or bubble tea--featuring recipes and reflections from The Boba Guys tea shops. Andrew Chau and Bin Chen realized in 2011 that boba--the milk teas and fruit juices laced with chewy tapioca balls from Taiwan that were exploding in popularity in the States--was still made from powders and mixes. No one in the U.S. was making boba with the careful attention it deserved, or using responsible, high-quality ingredients and global, artisanal inspiration. So they founded The Boba Guys: a chic, modern boba tea shop that has now grown to include fourteen locations across the country, bringing bubble tea to the forefront of modern drinks and bridging cultures along the way. Now, with The Boba Book, the Boba Guys will show fans and novices alike how they can make their (new) favorite drink at home through clear step-by-step guides. Here are the recipes that people line up for--from the classics like Hong Kong Milk Tea, to signatures like the Strawberry Matcha Latte and the coffee-laced Dirty Horchata. For the Boba Guys, boba is Taiwanese, it's Japanese, it's Mexican, it's all that and more--which means it's all-American.

Oil, Power, and War-Matthieu Auzanneau 2018-11 "Oil, Power, and War is a sweeping, unabashed history of oil, told by French journalist Matthieu Auzanneau. It provides a detailed account of the people and events that drove the oil industry from its earliest days, and takes a critical look at the way oil interests have commandeered politics and economies, changed cultures, disrupted power balances across the globe, and spawned wars. The author exposes the greed and reckless behavior--by a long line of characters from John D. Rockefeller to Dick Cheney--that moved oil along its destructive, unsustainable path, from its heyday when the first oil wells were drilled to the quest for new sources as old ones dried up. The author traces the rise of the Seven Sisters and other oil cartels, and follows the thread of oil through the crises that have shaped our times: two world wars, the Cold War, the Great Depression and the 2008 financial crash, oil shocks, wars in the Middle East, the race for Africa's oil riches, and more. We learn lesser-known stories, too, like how New York City taxes were once funneled directly to banks run by oil barons, after the city was about to default on its debt. And we gain new perspective on the central role of oil in military conflicts over the past 100 years. Now that there is much less oil available, Auzanneau looks to the future and warns that even greater conflict may arise"--

Sinews of War and Trade-Laleh Khalili 2020 A wide-ranging account of shipping and capitalism in the Middle East On the map of global trade, China is now the factory of the world. A parade of ships full of raw commodities -iron ore, coal, oil- arrive in its ports, and fleets of container ships leave with manufactured goods in all directions. The oil that fuels China's manufacturing comes primarily from the Arabian Peninsula. Much of the material shipped from China are transported through the ports of Arabian Peninsula, Dubai's Jabal Ali port foremost among them. China's 'maritime silk road' flanks the Peninsula on all sides. Sinews of War and Trade is the story of what the making of new ports and shipping infrastructures has meant not only for the Arabian Peninsula itself, but for the region and the world beyond. The book is the account of how maritime transportation is not simply an enabling adjunct of trade, but central to the very fabric of global capitalism. The ports that serve maritime trade, logistics, and hydrocarbon transport create racialised hierarchies of labour, engineer the lived environment, aid the accumulation of capital regionally and globally, and carry forward colonial regimes of profit, law and administration.

Alone at Dawn-Dan Schilling 2019-06-25 The New York Times bestselling true account of John Chapman, Medal of Honor recipient and Special Ops Combat Controller, and his heroic one-man stand during the Afghan War, as he sacrificed his life to save the lives of twenty-three comrades-in-arms. In the predawn hours of March 4, 2002, just below the 10,469-foot peak of a mountain in eastern Afghanistan, a fierce battle raged. Outnumbered by Al Qaeda fighters, Air Force Combat Controller John Chapman and a handful of Navy SEALs struggled to take the summit in a desperate bid to find a lost teammate. Chapman, leading the charge, was gravely wounded in the initial assault. Believing he was dead, his SEAL leader ordered a retreat. Chapman regained consciousness alone, with the enemy closing in on three sides. John Chapman's subsequent display of incredible valor -- first saving the lives of his SEAL teammates and then, knowing he was mortally wounded, single-handedly engaging two dozen hardened fighters to save the lives of an incoming rescue squad -- posthumously earned him the Medal of Honor. Chapman is the first airman in nearly fifty years to be given the distinction reserved for America's greatest heroes. Alone at Dawn is also a behind-the-scenes look at the Air Force Combat Controllers: the world's deadliest and most versatile special operations force, whose members must not only exceed the qualifications of Navy SEAL and Army Delta Force teams but also act with sharp decisiveness and deft precision -- even in the face of life-threatening danger. Drawing from firsthand accounts, classified documents, dramatic video footage, and extensive interviews with leaders and survivors of the operation, Alone at Dawn is the story of an extraordinary man's brave last stand and the brotherhood that forged him.

Who Is Judy Blume?-Kirsten Anderson 2018-10-02 Learn how Judy Blume went from a stay-at-home mother to one of the most beloved American authors of the twentieth century. Readers adore Judy Blume for her personal stories about the journey from childhood to adolescence. She has always been an imaginative person and an avid reader. As a child, Judy spent time looking through library shelves for the perfect books, and if she couldn't find the right ones, she entertained herself by making up stories in her head. When she got older, Judy started writing her stories down. Although readers fell in love with characters like Margaret Simon and Fudge Hatcher, some parents challenged some of her titles, including Are You There God? It's Me, Margaret, for discussing sensitive issues. Despite all the controversy, this award-winning author and her books have remained popular among fans, both old and new.

Aphrodite the Beauty-Joan Holub 2010-08-03 Well-researched and true to the original myths, each volume in the Goddess Girls series addresses contemporary issues like friendships and relationships from a classically accurate—and entertaining—persepective. In Aphrodite the Beauty, Aphrodite, goddessgirl of love, must deal with jealousy after giving Athena a makeover. It doesn't seem fair that the godboys pay more attention to her friend when Aphrodite is supposed to be destined for love! She also copes with a crush from an unlikely source—the nerdy Hephaestus (god of the smith)—and learns that love comes in many forms.

Life Is What You Make It-Peter Buffett 2011 From composer, musician, philanthropist--and son of Warren Buffett--comes a warm, wise, and inspirational book that expounds on the strong set of values given to him by his trusting and broadminded mother, his industrious and talented father, and the many life teachers he has met along the way.

Hole in the Middle-Coco Simon 2019-12-10 Here's the latest fun, sweet series from the author of the Cupcake Diaries and Sprinkle Sundays series! Everything's better with a donut. Lindsay Cooper is about to start middle school. In her free time, she works at her family's restaurant, The Park View, handing out the world's most delicious donuts at the Donut Dreams counter. Her grandmother started the counter as a way to send Lindsay's dad to college, and Lindsay wants to use her job the same way—to make her dream of going to school far away from her small town a reality. Home feels different ever since Lindsay's mom passed away two years ago. And not having her mom around to help her get through the start of middle school doesn't help her "first day of school" angst. But with her cousins Kelsey and Molly by her side, not to mention her BFF Casey, Lindsay soon discovers family and friends go a long way towards filling any hole in your heart. And life can still be as fun as a pink donut with rainbow sprinkles!

Clotho the Fate-Joan Holub 2019-12-03 Get to know Clotho, one of the Three Fates, in this twenty-fifth Goddess Girls adventure! Eleven-year-old Clotho is always linked with her two big sisters. Together, they are all the Three Fates, with abilities to predict events in mortals' lives. There are a few rules that the all-powerful Zeus has decreed for them, including a strict no-mingling with mortals policy. After Clotho discovers letterscrolls from unhappy mortals who don't love their fates, she wishes there was a way to try and earn their respect. During a secret trip to the Immortal Marketplace—where there is always a chance to run into mortals, too!—Clotho finds herself in over her head as she gets swept up in a competition to celebrate the opening a new store. A competition where her identity as a fate could be revealed at any moment! If that weren't enough, Clotho must face up to an old mistake she made several years ago that broke one of Zeus's other rules: Never interrupt the telling of a fate. It could mess up a mortal's whole life! Can Clotho manage to untangle the mess she has made while finding a way to bring the mortals and the Fates together?

Paul Bern-E.J. Fleming 2009-03-23 Paul Bern, known throughout the movie business as "Hollywood's Father Confessor," earned a reputation for being a loyal and supportive friend and for becoming one of MGM's most respected and creative directors. After his death, though, he was said to have grown so depressed and despondent over his own apparent sexual inadequacies that he committed suicide, and he would be denounced for attempting to rape his new bride Jean Harlow. In this biography, the author uncovers startling new facts and argues that MGM knew the real story of Bern's death—that an estranged, mentally ill common-law wife murdered him. MGM understood that the earlier spouse rendered Bern's marriage to Harlow, its fastest-rising star, ambiguous if not bigamous, so the studio staged a suicide and embarked on a very public tarnishing of his memory. Included are 93 rare photos, many lost for decades, along with three appendices examining the handwriting on an alleged suicide note and Bern's will and estate.

The Wartime Nanny-Lizzie Page 2020-09-11 The Nazis are everywhere now. We must leave Vienna. It might be that soon our letters won't get out anymore. Can you help, dear sister? Please, ask for us. Send news, and quickly. Please. London, 1938. Sixteen-year-old Natalie Leeman takes the heart-breaking decision to leave her family behind in Vienna and travel to England to join her cousin Leah in service. Natalie is placed with a wealthy suburban family, the Caplins, as a nanny to their energetic six-year-old. At first, Natalie is delighted by the huge house and beautiful gardens, but things aren't as perfect as they seem. While Natalie dotes on their child, she is increasingly wary of Mr Caplin, whose gruff manor and fascist politics scare her. And then there are those still waiting at home – Mama and her two sisters, as well as a blossoming romance with her English tutor that had only just begun. But when Vienna falls under Nazi rule, Natalie begins to fear for her family, especially her vivacious, tomboy little sister Libby. Then rumours of a possible escape route from mainland Europe called the kindertransport begin to swirl – can Natalie help her family escape the Nazis before it's too late? A heartbreaking wartime novel – emotional and unforgettable. Perfect for fans of The Alice Network, The Tattooist of Auschwitz and Before We Were Yours. What readers are saying about Lizzie Page: 'Twists and turns that keep you turning the page… I must read one more chapter before I turn out the light for the night… fans who enjoyed The Nightingale or Sold on a Monday will love this book as much as me. Act Like a Lady-Keltie Knight 2020 The hosts of the popular podcast and E! show LadyGang offer a relatable, empowering, and hilarious take on being unapologetically yourself (even if that's not always your best self) in a manifesto that redefines womanhood for the twenty-first-century lady. If you're tired of being bombarded with the curated perfection on social media and you're starving for something raw, honest, and a little bit messy, welcome to the LadyGang. Keltie, Becca, and Jac are here to clear away the bullshit and give you the confidence to live your best lady life. Unabashedly sincere, clever, and full of questionable advice, Act Like a Lady explores the complexities surrounding topics like body image, breakups, navigating a career, and adult friendships through their own embarrassing experiences. The LadyGang has your back with essays like "Maybe She's Born with It, Maybe It's Photoshop" and "If You're Happy and You Know It, Thank Your Ex." You'll learn there's a million different ways to be a lady--and that includes accidentally farting during sex or having the guts to tell your friend she's being a selfish assh*le. No matter what you're going through, you'll find a space to bond over the sloppy, heartbreaking, joyous, and often ridiculous realities of womanhood. Nothing is TMI here.

Nerves of Steel-Captain Tammie Jo Shults 2019-10-08 Nerves of Steel is the captivating true story of Tammie Jo Shults's remarkable life—from growing up the daughter of a humble rancher, to breaking through gender barriers as one of the Navy's first female F/A-18 Hornet pilots, to safely landing the severely crippled Southwest Airlines Flight 1380 and helping save the lives of 148 people. Tammie Jo Shults has spent her entire life loving the skies. Though the odds were against her, she became one of the few female fighter pilots in the Navy. In 1994, after serving her country honorably for eight years, Tammie Jo left the Navy and joined Southwest Airlines in the early 1990's. On April 17, 2018, Tammie Jo was called to service once again. Twenty minutes into a routine domestic flight, Captain Shults was faced with the unthinkable—a catastrophic engine failure in the Boeing 737 caused an explosion that severed hydraulic and fuel lines, tearing away sections of the plane, puncturing a window, and taking a woman's life. Captain Shults and her first officer, Darren Ellisor, struggled to stabilize the aircraft. Drawing deeply from her well of experience, Tammie Jo was able to wrestle the severely damaged 737 safely to the ground. Not originally scheduled for that flight, there is no doubt God had prepared her and placed her right where she needed to be that day.

Yellow Bird-Sierra Crane Murdoch 2020-02-25 The gripping true story of a murder on an Indian reservation, and the unforgettable Arikara woman who becomes obsessed with solving it—an urgent work of literary journalism. "I don't know a more complicated, original protagonist in literature than Lissa Yellow Bird, or a more dogged reporter in American journalism than Sierra Crane Murdoch."—William Finnegan, Pulitzer Prize–winning author of Barbarian Days NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • NPR • Publishers Weekly When Lissa Yellow Bird was released from prison in 2009, she found her home, the Fort Berthold Indian Reservation in North Dakota, transformed by the Bakken oil boom. In her absence, the landscape had been altered beyond recognition, her tribal government swayed by corporate interests, and her community burdened by a surge in violence and addiction. Three years later, when Lissa learned that a young white oil worker, Kristopher "KC" Clarke, had disappeared from his reservation worksite, she became particularly concerned. No one knew where Clarke had gone, and few people were actively looking for him. Yellow Bird traces Lissa's steps as she obsessively hunts for clues to Clarke's disappearance. She navigates two worlds—that of her own tribe, changed by its newfound wealth, and that of the non-Native oilmen, down on their luck, who have come to find work on the heels of the economic recession. Her pursuit of Clarke is also a pursuit of redemption, as Lissa atones for her own crimes and reckons with generations of trauma. Yellow Bird is an exquisitely written, masterfully reported story about a search for justice and a remarkable portrait of a complex woman who is smart, funny, eloquent, compassionate, and—when it serves her cause—manipulative. Drawing on eight years of immersive investigation, Sierra Crane Murdoch has produced a profound examination of the legacy of systematic violence inflicted on a tribal nation and a tale of extraordinary healing.

Flip the Script-Oren Klaff 2019-08-13 THE BESTSELLING AUTHOR OF PITCH ANYTHING IS BACK TO FLIP YOUR ENTIRE APPROACH TO PERSUASION. Is there anything worse than a high-pressure salesperson pushing you to say "yes" (then sign on the dotted line) before you're ready? If there's one lesson Oren Klaff has learned over decades of pitching, presenting, and closing long-shot, high-stakes deals, it's that people are sick of being marketed and sold to. Most of all, they hate being told what to think. The more you push them, the more they resist. What people love, however, is coming up with a great idea on their own, even if it's the idea you were guiding them to have all along. Often, the only way to get someone to sign is to make them feel like they're smarter than you. That's why Oren is throwing out the old playbook on persuasion. Instead, he'll show you a new approach that works on this simple insight: Everyone trusts their own ideas. If, rather than pushing your idea on your buyer, you can guide them to discover it on their own, they'll believe it, trust it, and get excited about it. Then they'll buy in and feel good about the chance to work with you. That might sound easier said than done, but Oren has taught thousands of people how to do it with a series of simple steps that anyone can follow in any situation. And as you'll see in this book, Oren has been in a lot of different situations. He'll show you how he got a billionaire to take him seriously, how he got a venture capital firm to cough up capital, and how he made a skeptical Swiss banker see him as an expert in banking. He'll even show you how to become so compelling that buyers are even more attracted to you than to your product. These days, it's not enough to make a great pitch. To get attention, create trust, and close the deal, you need to flip the script.

Shards of Time-Lynn Flewelling 2014-04-01 Acclaimed author Lynn Flewelling brings her beloved Nightrunners series to a close—at least for now—with a thrilling novel of murder, mystery, and magic. The governor of the sacred island of Korous and his mistress have been killed inside a locked and guarded room. The sole witnesses to the crime—guards who broke down the doors, hearing the screams from within—have gone mad with terror, babbling about ghosts . . . and things worse than ghosts. Dispatched to Korous by the queen, master spies Alec and Seregil find all the excitement and danger they could want—and more. For an ancient evil has been awakened there, a great power that will not rest until it has escaped its otherworldly prison and taken revenge on all that lives. And only those like Alec—who have died and returned to life—can step between the worlds and confront the killer . . . even if it means a second and all too permanent death.

Saving the Team-Alex Morgan 2013-05-07 From star soccer player and Olympic gold medalist Alex Morgan comes the New York Times bestselling first book in an empowering, fun-filled middle grade series about believing in yourself and working as a team. Twelve-year-old Devin loves to play soccer. If she hadn't just left Connecticut to move across the country, she would have been named seventh-grade captain on her school soccer team. But now that Devin is starting seventh grade in Kentville, California, all bets are off. After all, some of the best players on the US national team come from California. She's sure to have stiff competition. Or so she thinks. When Devin shows up for tryouts, she discovers that the Kentville Kangaroos—otherwise known as the Kicks—are an absolute mess. Their coach couldn't care less whether the girls win or lose. And Devin is easily one of the most talented players. The good news is, Devin quickly makes friends with funny, outgoing Jessi; shy but sweet Zoe; and klutzy Emma. Can Devin and her newfound friends pull together and save the team from itself?

F*ck Feelings-Michael Bennett, MD 2015-09 The only self-help book you'll ever need, from a psychiatrist and his comedy writer daughter, who will help you put aside your unrealistic wishes, stop trying to change things you can't change, and do the best with what you can control—the first steps to managing all of life's impossible problems. Need to stop screwing up? Feel like you're under a loser's curse? Work with an ass? Want to clear your name or get justice, rescue an addicted person, get closure after childhood abuse, get a lover to commit, not ruin your kid? Although other self-help books claim to reveal the path to happiness, F*ck Feelings warns that convincing yourself that there is such a path will actually lead you to feel like a true failure. What the Bennetts can promise you is that you can manage any situation life throws at you if you can keep your sense of humor, bend your wishes to fit reality, restrain your feelings, manage bad behavior, and do what you think is right. Life is hard. It's not fair. Our feelings cloud our rationality, and we become tangled in our efforts to achieve the impossible or change the unchangeable. In this groundbreaking, entirely sensible, and funny book, the Bennetts open the shrinks' secret solution manual and show you how to find a new kind of freedom by working toward realistic goals and doing the best with what you can control. They address the most common problems Dr. Bennett's patients bring to his private practice—problems with family, love, work, self-esteem, garden variety assholes, and more—and give you a script for going forward. With no-bullshit advice from a Harvard-educated shrink freed of all jargon and patronization by his smart-ass, comedy writer daughter,F*ck Feelings is the cut-to-the-chase therapy session you've been looking for.
