French in Action-Pierre J. Capretz 2015-06-28 Since it was first published, French in Action: A Beginning Course in Language and Culture—The Capretz Method has been widely recognized in the field as a model for video-based foreign-language instructional materials. The third edition, revised by Pierre Capretz and Barry Lydgate, includes new, contemporary illustrations throughout and, in the Documents section of each lesson, more-relevant information for today's students. A completely new feature is a journal by the popular character Marie-Laure, who observes and comments humorously on the political, cultural, and technological changes in the world between 1985 and today. The new edition also incorporates more content about the entire Francophone world. In use by hundreds of colleges, universities, and high schools, French in Action remains a powerful educational resource that this third edition updates for a new generation of learners. Part 2 gives students at the intermediate level the tools they need to communicate effectively in French and to understand and appreciate French and Francophone cultures.

Sport à la une-Edouard Seidler 2014-04-01 Sport à la une 35 ans de journalisme Répondant aux questions que se posent tous ceux que le sport et le journalisme attirent, Edouard Seidler raconte à travers mille anecdotes ses débuts dans la presse - à seize ans, il rédigeait ses premiers articles sur les bancs du lycée - et la carrière qui l'a mené aux plus hautes responsabilités. Sport à la une est un récit plein de vie, d'émotion et d'humour, où l'auteur livre un témoignage rare, car vu " de l'intérieur ", sur le sport et la presse. Edouard Seidler décrit les grands événements auxquels il a assisté, les champions qu'il a connus et aimés, de Mimoun à Killy en passant par l'étonnante Marielle Goitschel, Jazy, Kersauzon, Platini et Prost. Il évoque les vedettes croisées à proximité des stades, Marilyn Monroe et Yves Montand, Elizabeth Taylor, Edith Piaf, les grands capitaines d'industrie comme Henry Ford et Giovanni Agnelli, ses camarades journalistes comme Blondin, Hansenne, Zitronne, Couderc, Collaro et Drucker. Riche et entraînant voyage dans les coulisses du sport, ce livre passionnera les lecteurs assidus de la presse sportive, et ceux qui veulent en savoir davantage sur ce phénomène social contemporain. Longtemps directeur de la rédaction puis directeur du quotidien L'Equipe, journaliste, auteur, éditeur, homme de radio et de télévision, Edouard Seidler est depuis plus d'un tiers de siècle aux premières loges du sport.
