Virgile's Vineyard-Patrick Moon 2014-01-28 How did a region, so long notorious for mere quantity, transform itself into one of the world's most exciting vineyards?And what does it take to make a great wine - even on a shoestring?In Virgile's Vineyard, Patrick Moon explores the world of Languedoc wine. Among the cast of characters that Patrick meets during his year of discovery is Virgile, a young local wine-maker who offers to initiate him into the mysteries of each season's work in the fields and in the cellar. Virgile is passionately committed to perfection, even though his limited means afford him just a handful of hectares and the smallest cellar imaginable.At the other extreme is Manu, Patrick's dipsomaniac neighbour, a diehard traditionalist producing a private wine-lake of unspeakable rouge. With Manu as his self-appointed guide, Patrick embarks on a quest for the revolution's leading lights - a succession of lively encounters with growers as diverse as the wines themselves - interwoven with entertaining digressions into the history of the region's wine-making. Meanwhile the author struggles to deal with his long-neglected French home - an unfamiliar and unpredictable world where the brambles have grown as tall as the olive trees, the water supply has just dried up and there is a ferocious animal under the roof tiles...First published in 2003, Virgile's Vineyard is now back by popular demand as a new and extended edition. As rich in humour as it is full of fascinating information, this book is a great read for any Francophile or wine-lover.

In Suspect Terrain-John McPhee 2011-04-01 From the outwash plains of Brooklyn to Indiana's drifted diamonds and gold, John McPhee's In Suspect Terrain is a narrative of the earth, told in four sections of equal length, each in a different way reflecting the three others-- a biography; a set piece about a fragment of Appalachian landscape in illuminating counterpoint to the human history there; a modern collision of ideas about the origins of the mountain range; and, in contrast, a century-old collision of ideas about the existence of the Ice Age. The central figure is Anita Harris, an internationally celebrated geologist who went into her profession to get out of a Brooklyn ghetto. The unifying theme is plate tectonics-- here concentrating on the acceptance that all aspects of the theory do not universally enjoy. As such, In Suspect Terrain is a report from the rough spots at the front edge of a science. In Suspect Terrain is the second book in a series on geology and geologists, presenting a cross section of North America along the fortieth parallel, and gathered under the overall title Annals of the Former World. The other books in the series are Basin and Range, Rising from the Plains, and Assembling California. Here Comes The Clown-Dom Joly 2015-05-21 In 2004 Dom Joly wrote a spoof autobiography called Look At Me, Look At Me. In Here Comes the Clown, he takes up the story of his life from 14th January 2000 when the very first episode of Trigger Happy TVaired on Channel 4 and everything changed for him. Suddenly he was famous; reality was weirder than any fiction he could conjure up. This is the story of what happened next, through snippets of recollections from his adventures in showbusiness...

The Nearly Man-J. S. Nearey 2013-09-05 This is the true moving story of a young man growing up in the 1950's, of staunch Roman Catholic parents. Encouraged by family and teachers, the eleven years old holds a burning desire to become a Missionary Priest. His story unfolds against the backdrop of a Catholic Church going through massive

change, yet stuck firmly in the past, with teachings and traditions going back hundreds of years. Leaving the love of his family he joins a junior seminary where he begins his progress towards becoming a priest. It describes his fears and concerns about his calling from God and his life at a boarding school. It tracks his adolescent life, desperately trying to come to terms with being a youth with normal feelings, whilst living in the unusual environment of a Monastery. It tells of his emotional turmoil and inability to make a definite decision about his future, as he becomes more and more institutionalised. It follows his time in a Scottish Monastery where he is initiated into strict Monastic ways, then moves onto a Seminary where he struggles with Monastic life, his studies and emotional relationships. Finally, illness and love are the catalysts for The Nearly Man making the decision of his lifetime.

Sondrup 2004 Nonfictional Romantic Prose: Expanding Borders surveys a broad range of expository, polemical, and analytical literary forms that came into prominence during the last two decades of the eighteenth century and the first half of the nineteenth. They stand in contrast to better-known romantic fiction in that they endeavor to address the world of daily, empirical experience rather than that of more explicitly self-referential, fanciful creation. Among them are genres that have since the nineteenth century come to characterize many aspects of modern life like the periodical or the psychological case study; others flourished and enjoyed wide-spread popularity during the nineteenth century but are much less well-known today like the almanac and the diary. Travel narratives, pamphlets, religious and theological texts, familiar essays, autobiographies, literary-critical and philosophical studies, and discussions of the visual arts and music all had deep historical roots when appropriated by romantic writers but prospered in their hands and assumed distinctive contours indicative of the breadth of romantic thought. SPECIAL OFFER: 30% discount for a complete set order (5 vols.).The Romanticism series in the Comparative History of Literatures in European Languages is the result of a remarkable international collaboration. The editorial team coordinated the efforts of over 100 experts from more than two dozen countries to produce five independently conceived, yet interrelated volumes that show not only how Romanticism developed and spread in its principal European homelands and throughout the New World, but also the ways in which the affected literatures in reaction to Romanticism have redefined themselves on into Modernism. A glance at the index of each volume quickly reveals the extraordinary richness of the series' total contents. Romantic Irony sets the broader experimental parameters of comparison by concentrating on the myriad expressions of [irony] as one of the major impulses in the Romantic philosophical and artistic revolution, and by combining cross-cultural and interdisciplinary studies with special attention also to literatures in less widely diffused language streams. Romantic Drama traces creative innovations that deeply altered the understanding of genre at large, fed popular imagination through vehicles like the opera, and laid the foundations for a modernist theater of the absurd. Romantic Poetry demonstrates deep patterns and a sharing of crucial themes of the revolutionary age which underlie the lyrical expression that flourished in so many languages and environments. Nonfictional Romantic Prose assists us in coping with the vast array of writings from the personal and intimate sphere to modes of public discourse, including Romanticism's own self-commentary in theoretical statements on the arts, society, life, the sciences, and more. Nor are the discursive dimensions of imaginative

literature neglected in the closing volume, Romantic Prose Fiction, where the basic Romantic themes and story types (the romance, novel, novella, short story, and other narrative forms) are considered throughout Europe and the New World. This enormous realm is seen not just in terms of Romantic theorizing, but in the light of the impact of Romantic ideas and narration on later generations. As an aid to readers, the introduction to Romantic Prose Fiction explains the relationships among the volumes in the series and carries a listing of their tables of contents in an appendix. No other series exists comparable to these volumes which treat the entirety of Romanticism as a cultural happening across the whole breadth of the "Old" and "New" Worlds and thus render a complex picture of European spiritual strivings in the late eighteenth and the nineteenth centuries, a heritage still very close to our age.

Steel's Edge-Ilona Andrews 2012-11-27 The Edge lies between worlds, on the border between the Broken, where people shop at Wal-Mart and magic is a fairy tale—and the Weird, where blueblood aristocrats rule, changelings roam, and the strength of your magic can change your destiny... Charlotte de Ney is as noble as they come, a blueblood straight out of the Weird. But even though she possesses rare magical healing abilities, her life has brought her nothing but pain. After her marriage crumbles, she flees to the Edge to build a new home for herself. Until Richard Mar is brought to her for treatment, and Charlotte's life is turned upside down once again. Richard is a swordsman without peer, future head of his large and rambunctious Edger clan—and he's on a clandestine quest to wipe out slavers trafficking humans in the Weird. So when his presence leads his very dangerous enemies to Charlotte, she vows to help Richard destroy them. The slavers' operation, however, goes deeper than Richard knows, and even working together, Charlotte and Richard may not survive...

The Collected Works of Theodore Parker-Theodore Parker 2017-09-26 Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

Blood of the Children-Alan Rodgers 2000-09-01

Man of Earth-Algis Budrys 2011-09-29 His only escape was to become another man! Allen Sibley was a frightened little man - frightened for his life. In the corrupt, swindling world of cutthroat big business in which he was an important and pseudo-respectable figure, Allen Sibley had made the unforgivable error - he had found out. And worse, someone had known this would happen, someone who waited quietly to collect Allen Sibley's entire fortune

in exchange for a gamble - but it was the only gamble which might save Sibley his life!

Hubert Opperman-Sandra Lynette Fitzpatrick 1996 Opperman was not only one of the greatest and best loved athletes of his time, he also became a successful politician and international diplomat. He features in the 'Makers and Shakers' series as one of those rare individuals who 'challenge the beliefs and practices of their day'. His biography is supported with many black and white photos, an index, glossary and list of books for further reading. For ages 10-15 years.

French Cinema in the 1990s-Phil Powrie 1999 The first collection of essays by UK and USA academics working in French cinema studies on French cinema in the 1990s. There are twenty-one chapters, fifteen of which focus on one film each. Issues covered are genre (the changing heritage film), gender and ethnic issues, community, and national cinema.

The Twenties-Edmund Wilson 2019-11-12 In these pages, The Twenties: From Notebooks and Diaries of the Period, the preeminent literary critic Edmund Wilson gives us perhaps the largest authentic document of the time, the dazzling observations of one of the principal actors in the American twenties. Here is the raw side of the U.S.A., the mad side of Hollywood, the literary infighting in New York, the gossip and anecdotes of an astonishing cast of characters, the jokes, the profundities, the inanities. Here is the slim young man in Greenwich Village sallying forth to parties in matching ties and socks. Here is F. Scott Fitzgerald, Edna St. Vincent Millay, John Peale Bishop, H.L. Mencken, Dorothy Parker, e.e. cummings, John Dos Passos and Eugene O'Neill.
