Histoire de France Depuis Les Origines Jusqu'à la Révolution-Ernest Lavisse 1911  
Nouvelle collection des mémoires pour servir à l'histoire de France-Joseph Fr. Michaud 1853  
Origins and Identities in French Literature-Buford Norman 1999 The essays in this volume investigate origins and identities of individuals

and groups in French literature from the seventeenth century to the present, as well in French literature in general. They show how, as France developed a national identity through its literature, individuals of various origins searched for their own identities and often called into question not only traditional identities, but also the very literary means of creating them. A French Nautical Phrase Book and Reader-United States Navy Department. Naval Academy,

Annapolis 1921

Remembering Mass Violence-Steven High 2014  
Remembering Mass Violence breaks new ground in oral history, new media, and performance studies by exploring what is at stake when we attempt to represent war, genocide, and other violations of human rights in a variety of creative works. A model of community-university collaboration, it includes contributions from scholars in a wide range of disciplines, survivors of mass violence, and performers and artists who have created works based on these events. This anthology is global in focus, with essays on Africa, Asia, Europe, Latin America, and North America. At its core is a productive tension between public and private memory, a dialogue between autobiography and biography, and between individual experience and societal transformation. Remembering Mass Violence will appeal to oral historians, digital practitioners and performance-based artists around the world, as well researchers and activists involved in human rights research, migration studies, and genocide studies.

Origine, services et alliances de la maison de Bremond d'Ars ... Extrait de l'Histoire généalogique de la maison de Bremond d'Ars ... revue, augmentée ... et continuée depuis 1708 jusqu'en 1779 par le R. P. Loÿs. [Continued further by Count A. M. J. de Bremond d'Ars.]-Léon de BEAUMONT (Bishop of Saintes.) 1861

Medieval France and her Pyrenean Neighbours-Thomas N. Bisson 1989-07-01 This collection of essays makes an important contribution to our knowledge of feudalism and finance in France and Spain. Divided into four sections, it covers the use rulers made of courts, parlements, and assemblies for ceremonial, political and fiscal purposes; the institutional formation of Catalonia; comparative studies of France, Catalonia and Aragon in the twelfth century; and monetary and fiscal policies of contemporary rulers.

Grammar of French grammars on an entirely new plan. The complete French class-book. New, stereotyped ed., improved-Alfred G. Havet 1863

French in One Volume-Alfred G. Havet 1861  
Blood, Milk, Ink, Gold-Rebecca Zorach 2005 Most people would be hard pressed to name a famous artist from Renaissance France. Yet sixteenth-century French kings believed they were the heirs of imperial Rome and commissioned a magnificent array of visual arts to secure their hopes of political ascendancy with images of overflowing abundance. With a wide-ranging yet richly detailed interdisciplinary approach, Rebecca Zorach examines the visual culture of the French Renaissance, where depictions of sacrifice, luxury, fertility, violence, metamorphosis, and sexual excess are central. Zorach looks at the cultural, political, and individual roles that played out in these artistic themes and how, eventually, these aesthetics of exuberant abundance disintegrated amidst perceptions of decadent excess. Throughout the book, abundance and excess flow in liquids-blood, milk, ink, and gold-that highlight the materiality of objects and the human body, and explore the value (and values) accorded to them. The arts of the lavish royal court at

Fontainebleau and in urban centers are here explored in a vibrant tableau that illuminates our own contemporary relationship to excess and desire. From marvelous works by Francois Clouet to oversexed ornamental prints to Benvenuto Cellini's golden saltcellar fashioned for Francis I, Blood, Milk, Ink, Gold covers an astounding range of subjects with precision and panache, producing the most lucid, well-rounded portrait of the cultural politics of the French Renaissance to date.

HISTOIRE DES ORIGINES DE LA LANGUE FRANCAISE, PAR M. A.-Adolphe Granier de Cassagnac 1872

Histoire de la Littérature Espagnole. ... Traduite de l'anglais en français, avec les notes et additions des commentateurs espagnols, P. de Gayangos et H. de Vedia, par J. G. Magnabal-George TICKNOR 1864

Bulletin-Institut national genevois 1897

Autre France-Léon de la Brière 2015-02-17

Extrait : "C'est avec amertume qu'un Français parcourt le monde. Depuis nos grands revers et

nos grandes folies, il rencontre, sous toutes les latitudes, la légende antique de nos splendeurs, le renom de nos sympathiques et chevaleresques souvenirs ; mais il constate douloureusement un déclin, j'aimerais mieux dire un éclipse, dans les sentiments traditionnels, dans l'admiration héréditaire que les peuples ont nourris pour les favoris de la gloire."

French Royalism under the Third and Fourth Republics-Samuel M. Osgood 2012-12-06 "Let them come forward, they are thirsty for the sight of a King," said Henri IV to his followers who were trying to push back the curious crowds as he entered Paris in February, 1594. It is perhaps

to be regretted that seven kings (to say nothing of two emperors) have since more than quenched the French's taste for royalty, because they have long been in need of - and periodically have sought - a symbol of national unity. Modern-day France has had far more than her share of revolutions, counterrevolutions, uprisings, days, coups, affairs, crises, scandals - and constitution drafting. While it would be an over simplification to interpret this endemic strife as a seesaw conflict between two well-integrated blocs with the ideology of the Great Revolution as the dividing issue, the fact remains that since 1789 political divisions and quarrels among Frenchmen have been deep, bitter, and fundamental. may have been the one solution which After 1870, a Republic divided Frenchmen the least (to borrow an expression from Monsieur Thiers); but like any and all of the preceding alternatives it was to incur the relentless, irreconcilable opposition of important segments of the population. This study deals with those individuals and organizations which continued to advocate, and sought to bring about a return to

the monarchy under the Third and Fourth Republics.
