A Conversational Introduction to French-Edward T. Heise 1987 This text was designed to be compatible with the interests, abilities and backgrounds of the beginning French student, whether in high school or college. The authors organized their text on the premise that it contains grammar and vocabulary, clearly and accurately presented, in effective progression, along with suitable practice exercises. Their ultimate aim was for the student to become conversational, that is, to be able to exchange ideas in French. Originally published in 1959 by Harper and Row, Publishers, Inc.

French North America in the Shadows of Conquest-Ryan André Brasseaux 2020-12-22 French North America in the Shadows of Conquest is an interdisciplinary, postcolonial, and continental history of Francophone North America across the long twentieth century, revealing hidden histories that so deeply shaped the course of North America. Modern French North America was born from the process of coming to terms with the idea of conquest after the fall of New France. The memory of conquest still haunts those 20 million Francophones who call North America home. The book re-examines the contours of North American history by emphasizing alliances between Acadians, Cajuns, and Québécois and French Canadians in their attempt to present a unified challenge against the threat of assimilation, linguistic extinction, and Anglophone hegemony. It explores cultural trauma narratives and the social networks Francophones constructed and shows how North American history looks radically different from their perspective. This book presents a missing chapter in the annals of linguistic and ethnic differences on a continent defined, in part, by its histories of dispossession. It will be of interest to scholars and students of American and Canadian history, particularly those interested in French North America, as well as ethnic and cultural studies, comparative history, the American South, and migration.

Canadian Cultural Exchange / Échanges culturels au Canada-Norman Cheadle 2007-07-23 The essays in Canadian Cultural Exchange / *Échanges culturels au Canada* provide a nuanced view of Canadian transcultural experience. Rather than considering Canada as a bicultural dichotomy of colonizer/colonized, this book examines a field of many cultures and the creative interactions among them. This study discusses, from various perspectives, Canadian cultural space as being in process of continual translation of both the other and oneself. Les articles réunis dans Canadian Cultural Exchange / *Échanges culturels au Canada* donnent de l'expérience transculturelle canadienne une image nuancée. Plutôt que dans les termes d'une dichotomie biculturelle entre colonisateur et colonisé, le Canada y est vu comme champ où plusieurs cultures interagissent de manière créative. Cette étude présente sous de multiples aspects le processus continu de traduction d'autrui et de soi-même auquel l'espace culturel canadien sert de théâtre.
