When she finds a diary dating from 1928 in the monastery library, penned by Jeremy Matheson and hidden inside

the jacket of an Edgar Allan Poe book, she is inexorably pulled into the past as she follows his investigation. The Book of Pearl-Timothee de Fombelle

2018-02-06 In prose as magical and intricate as the tale it tells, Timothée de Fombelle delivers an unforgettable story of a first love that defines a lifetime. Joshua Pearl comes from a world that we no longer believe in — a world of fairy tale. He knows that his great love waits for him there, but he is stuck in an unfamiliar time and place — an old-world marshmallow shop in Paris on the eve of World War II. As his memories begin to fade, Joshua seeks out strange objects: tiny fragments of tales that have already been told, trinkets that might possibly help him prove his own story before his love is lost forever. Sarah Ardizzone and Sam Gordon translate the original French into a work both luminous and layered, enabling Timothée de Fombelle's modern fairy

tale to thrum with magic. Brimming with romance and history, mystery and adventure, this ode to the power of memory, storytelling, and love will ensnare any reader's imagination, and every reader's heart.

Charting the Future of Translation History-Paul F. Bandia 2006-07-28 Over the last 30 years there has been a substantial increase in the study of the history of translation. Both well-known and lesser-known specialists in translation studies have worked tirelessly to give the history of translation its rightful place. Clearly, progress

has been made, and the history of translation has become a viable independent research area. This book aims at claiming such autonomy for the field with a renewed vigour. It seeks to explore issues related to methodology as well as a variety of discourses on history with a view to laying the groundwork for new avenues, new models, new methods. It aspires to challenge existing theoretical and ideological frameworks. It looks toward the future of history. It is an attempt to address shortcomings that have prevented translation history from reaching its full disciplinary potential. From microhistory, archaeology, periodization, to issues of subjectivity and postmodernism, methodological lacunae are being filled. Contributors to this volume go far beyond the text to uncover the role translation has played in many different times and settings such as Europe, Africa, Latin America, the Middle-east and Asia from the 6th century to the 20th. These contributions, which deal variously with the discourses on methodology and history, recast the discipline of translation history in a new light and pave the

way to the future of research and teaching in the field.

The Girl Who Reads on the Métro-Christine Féret-Fleury 2019-10-08 “With a cast of characters reminiscent of the French film *Amélie*, Féret-Fleury creates a world that is delightful and enchanting...Light and sweet as a bonbon, this little confection of a book is delicious.”

—Kirkus Reviews For fans of *Amélie* and *The Little Paris Bookshop*, a modern fairytale about a French woman whose life is turned upside down when she meets a reclusive bookseller and his young daughter. Juliette leads a perfectly ordinary life in Paris, working a slow office job, dating a string of not-quite-right men, and fighting off melancholy. The only bright spots in her day are her métro rides across the city and the stories she dreams up about the strangers reading books across from her: the old lady, the math student, the amateur ornithologist, the woman in love, the girl who always tears up at page 247. One morning, avoiding the office for as long as she can, Juliette finds herself on a new block, in front of a rusty gate wedged open with a

book. Unable to resist, Juliette walks through, into the bizarre and enchanting lives of Soliman and his young daughter, Zaide. Before she realizes entirely what is happening, Juliette agrees to become a passeur, Soliman’s name for the booksellers he hires to take stacks of used books out of his store and into the world, using their imagination and intuition to match books with readers. Suddenly, Juliette’s daydreaming becomes her reality, and when Soliman asks her to move in to their store to take care of Zaide while he goes away, she has to decide if she is ready to throw herself headfirst into this new life. Big-hearted, funny, and gloriously zany, *The Girl Who Reads on the Métro* is a delayed coming-of-age story about a young woman who dares to change her life, and a celebration of the power of books to unite us all.

Against Expression-Craig Dworkin 2011-01-17

Charles Bernstein has described conceptual "poetry pregnant with thought." Against Expression, the premier anthology of conceptual writing, presents work that is by turns

thoughtful, funny, provocative, and disturbing. Editors Craig Dworkin and Kenneth Goldsmith chart the trajectory of the conceptual aesthetic from early precursors such as Samuel Beckett and Marcel Duchamp through major avant-garde groups of the past century, including Dada, Oulipo, Fluxus, and language poetry, to name just a few. The works of more than a hundred

writers from Aasprong to Zykov demonstrate a remarkable variety of new ways of thinking about the nature of texts, information, and art, using found, appropriated, and randomly generated texts to explore the possibilities of non-expressive language.
