It will be the beginning of a new age of darkness?

Large Print Holdings of the Public Libraries in Great River Library System- 1990

The Rise and Fall of the Japanese Imperial Naval Air Service-Peter J. Edwards 2010-11-20 This book describes in considerable detail the people, events ships and aircraft that shaped the Air Service from its origins in the late 19th century to its demise in 1945. The formative years began when a British Naval Mission was established in Japan in 1867 to advise on the development of balloons for naval purposes. After the first successful flights of fixed-wing aircraft in the USA and Europe, the Japanese navy sent several officers to train in Europe as pilots and imported a steady stream of new models to evaluate. During World War One Japan became allied with the UK and played a significant part in keeping the German fleets of ships and submarines at bay in the Pacific and Indian Oceans. However, in the international naval treaties that followed they felt betrayed, since the number of capital ships, battleships and cruisers, that they were allowed was below those of the USA and the UK. Aircraft carriers were not included, so a program of carrier building was started and continued until World War Two. At the same time they developed an aircraft industry and at the beginning of war their airplanes were comparable, and in some instances superior, to those of the British and Americans. Much prewar experience was gained during Japans invasion of China, but their continued anger with America festered and resulted in their becoming allied with Germany, Italy and the Vichy France during World War Two. There followed massive successful attacks on Pearl Harbor, the Philippines, the Southern Islands, Port Darwin and New Guinea. The British were decimated and the USA recoiled at the onslaught, taking over a year to regroup and take the war to the Imperial Japanese forces. Throughout the conflict many sea battles were fought and the name Zero became legendary. When Japan eventually capitulated after the Atomic bombs were dropped the Japanese Imperial Air Service was disbanded.

Hammer Complete-Howard Maxford 2019-11-08 Think you know everything there is to know about Hammer Films, the fabled "Studio that Dripped Blood?" The lowdown on all the imperishable classics of horror, like The Curse of Frankenstein, Horror of Dracula and The Devil Rides Out? What about the company's less blood-curdling back catalog? What about the musicals, comedies and travelogues, the fantasies and historical epics--not to mention the pirate adventures? This lavishly illustrated encyclopedia covers every Hammer film and television production in thorough detail, including budgets, shooting schedules, publicity and more, along with all the actors, supporting players, writers, directors, producers, composers and technicians. Packed with quotes, behind-the-scenes anecdotes, credit lists and production specifics, this all-inclusive reference work is the last word on this cherished cinematic institution.

American Film Personnel and Company Credits, 1908-1920-Paul C. Spehr 1996 Einar Lauritzen and Gunar Lundquist published the definitive American Film Index, 1908-1915, and its companion volume for the years 1916 through 1920. The current work indexes Lauritzen and Lundquists works and stands in its own right as a

definitive reference work on early American filmmaking, with or without access to the ground-breaking predecessor volume. This work lists 33,664 films, 23,159 names, 1,025 companies and 785 works that were adapted into movies. The work includes extensive cross-referencing and "see" references for alternate titles and names.

Awakenings-Pramoedya Ananta Toer 1991

International Motion Picture Almanac- 2001

The Many Deaths of the Firefly Brothers-Thomas Mullen 2011 Late one night in August 1934, following a yearlong spree of bank robberies across the Midwest, the Firefly Brothers are forced into a police shootout and die . . . for the first time. In award-winning author Thomas Mullen's evocative new novel, the highly anticipated follow-up to his acclaimed debut, The Last Town on Earth, we follow the Depression-era adventures of Jason and Whit Fireson—bank robbers known as the Firefly Brothers by the press, the authorities, and an adoring public that worships their acts as heroic counterpunches thrown at a broken system. Now it appears they have at last met their end in a hail of bullets. Jason and Whit's lovers—Darcy, a wealthy socialite, and Veronica, a hardened survivor—struggle between grief and an unyielding belief that the Firesons have survived. While they and the Firesons' stunned mother and straight-arrow third son wade through conflicting police reports and press accounts, wild rumors spread that the bandits are still at large. Through it all, the Firefly Brothers remain as charismatic, unflappable, and as mythical as the American Dream itself, racing to find the women they love and make sense of a world in which all has come unmoored. Complete with kidnappings and gangsters, heiresses and speakeasies, The Many Deaths of the Firefly Brothers is an imaginative and spirited saga about what happens when you are hopelessly outgunned—and a masterly tale of hardship, redemption, and love that transcends death. From the Hardcover edition.

VideoHound's Golden Movie Retriever 1999-Martin Connors 1999 This comprehensive guide contains the most extensive listing of movies available on video--with 1,000 new movies, added categories, and more--plus a multitude of cross-referencing within its 13 primary indexes.
