Seasons of Love: Autumn-Neil Topping
2014-10-22 "Autumn" is the third volume in the four book series entitled "Seasons of Love". "Spring" and "Summer" described the relationship between Mary Shaw and Paul Weber, a German POW and their lives after Paul had returned home leaving Mary pregnant with their child. The story continued through the fifties and sixties and their subsequent marriages to Frank and Helene and the birth of Michael, Petra and Dieter. The sixties brought about the tension filled meeting between the Rice and Weber families. "Summer" ended as Paul came to London to celebrate Michael's 21st birthday and visited Mary and Frank on his way back to Germany. "Autumn" moves on to the challenges and uncertainties of the 1970s for the Rice and Weber families 1970s. Michael establishes himself in the world of commerce and acts as a conduit between Mary and Paul

Love Saves the Day-Tim Lawrence 2004-01-12
Opening with David Mancuso's seminal "Love Saves the Day" Valentine's party, Tim Lawrence tells the definitive story of American dance music culture in the 1970s—from its subterranean roots in NoHo and Hell's Kitchen to its gaudy blossoming in midtown Manhattan to its wildfire transmission through America's suburbs and urban hotspots such as Chicago, Boston, San Francisco, Los Angeles, Newark, and Miami. Tales of nocturnal journeys, radical music making, and polymorphous sexuality flow through the arteries of Love Saves the Day like hot liquid vinyl. They are interspersed with a

detailed examination of the era's most powerful DJs, the venues in which they played, and the records they loved to spin—as well as the labels, musicians, vocalists, producers, remixers, party promoters, journalists, and dance crowds that fueled dance music's tireless engine. Love Saves the Day includes material from over three hundred original interviews with the scene's most influential players, including David Mancuso, Nicky Siano, Tom Moulton, Loleatta Holloway, Giorgio Moroder, Francis Grasso, Frankie Knuckles, and Earl Young. It incorporates more than twenty special DJ discographies—listing the favorite records of the most important spinners of the disco decade—and a more general discography cataloging some six hundred releases. Love Saves the Day also contains a unique collection of more than seventy rare photos.

Words in Motion-Marlene Scott 2014-04-09 I call my book, Words in Motion for many reasons..These words/set in poem are written about everything from birth, to death, marriage, anniversaries, religion, personal, Ordinations, and yes, even political. They were written for friends, family, loved ones, and many at the request of strangers...Many said they found consolation, peace, and comfort in these poems.. I thank God for giving me these words...I promised God my Devotion and He gave me the words to write, to Put into Motion. I feel that God has given to me a "Gift", if you will, to be able to express in words, the pain/happiness/ and sadness of others, even to giving words to them from a loved one who has passed on I have even been given words of things regarding freedom of speech or the right to worship in our own way, about Prayer and War. Yes, someone once said that The Pen is Mightier than the Sword, and I truly believe that to be very true, especially when God is guiding every stroke of the pen, so, I pray that you can identify with, or find comfort in any of these poems that I have written with much Love and Devotion I give to you my last book...

Living the Moment-Léonie Edwards 2013-04-24
This is the true story of the life-changing experience of a healthy man, who at the age of thirty-six, was diagnosed with the most aggressive type of malignant brain tumour. The world he knew became a battlefield of the mind and body alike. Having been given a few months to live, he endured the disturbing challenges of a state hospital, defying all odds with his uncomplaining attitude and positivity. The book emphasises his perseverance through seemingly impossible situations. Despite his deteriorating vision and unremitting headaches, Craig's humour and easy-going manner carried him through three years more than his life expectancy. From the time of diagnosis, he began to live the moment, striving to overcome his affliction. Written by his mother, the story highlights her own sentiments, as she relates her long walk with her son and how she and her husband nursed him through the final months of his life.

After the Fall-Ryan Phillips 2005 Abigail Walker and Jarvis Daniels are longtime sweethearts headed in opposite directions. Abby, an aspiring cellist, wants out of her humble Detroit surroundings and is willing to shed blood, sweat, and tears to make it happen. Jarvis, on the other hand, is perfectly content with life. For him there's plenty of time to become a "responsible adult." For now, he's got everything he could want: a roof over his head, a PlayStation, and the love of a good woman. When Abby's music career takes off and she moves to Chicago, Jarvis gets the boot--sort of. Abby still loves him, but his penchant for faded sweaters and meatball subs just doesn't fit into her new, sophisticated world of designer gowns and concert halls.

They're in different leagues and Abby makes no qualms of reminding him of it whenever she deigns to visit him. When the couple is involved in a near-fatal car crash, they are broken, stripped, and broken again both stumbling through a journey of healing and self-discovery as they struggle to accept the merciful hand of the only One who can help them up after a fall.

Understanding the Heart-Minh Niem 2012-02-24 The human heart is a source of love, but it is often also a source of pain and suffering, and cannot be effectively cured with medicine or by medical remedies (...) The best and most effective way to heal the pain and suffering is to understand our hearts and minds, and the hearts and minds of others. Understanding The Heart is a book that helps readers do just that: understand and heal the pain and suffering of our own hearts and minds and of those around us, so that everyone can live in happiness and with loving-kindness. With this book, I wish you much happiness so that you will never have to live with a broken or wounded heart. -Professor

Where the Crawdads Sing-Delia Owens

Reese Witherspoon x Hello Sunshine Book Club

Pick "I can't even express how much I love this book! I didn't want this story to end!"--Reese

Witherspoon "Painfully beautiful."--The New York

Times Book Review "Perfect for fans of Barbara

Kingsolver."--Bustle For years, rumors of the

"Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late

1969, when handsome Chase Andrews is found

dead, the locals immediately suspect Kya Clark,

the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived

for years alone in the marsh that she calls home,

finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life--until the unthinkable happens. Perfect for fans of Barbara Kingsolver and Karen Russell, *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.
